FOREWORD

Dear Fellow Enthusiasts,

We wish to welcome you here today and trust you will enjoy a good day's sport.

Most of you will no doubt know the reason for your admission to this meeting free of charge. For those that are not quite conversant with the facts it appears that a certain Act was passed in 1625 whereby it is illegal for us to charge you any admission to the place where the racing is held today.

Certain revisions were made to this Act in 1780 but the fact still remains that by charging admission we are committing an offence. You are all, we feel sure, broadminded and enthusiasts of the sport for which you have come to see today.

We are quite sure you will understand when we say that this meeting cannot be put on without certain expenses occurring. These have been kept down to a minimum. Although you are under no obligation whatsoever to give to the collection when made, we feel sure you will give generously, thereby building up funds to continue the sport which you so much enjoy. Your response will, we feel sure, safeguard any future meetings that may be held.

Just one word of warning. When leaving the course please drive with care on the narrow by-ways and take notice of any signals given by the police and marshals.

Trusting you will have an enjoyable day and a trouble-free journey home after the meeting.

SPECTATORS ARE FORBIDDEN IN THE COMPETITORS' PADDOCK

THANK YOU FOR YOUR SUPPORT
