“It is written that my approach to motor cycling is down to earth — this doesn't mean that I fall off frequently—rather that I am less fanciful than some folk. This applies to my business methods too. If you want a straight-forward deal with down to earth H.P. terms, or a good allowance for your present machine against a New Model, then I'm just the chap to arrange this for you. Please look me up or drop me a line. It could be to your advantage, and remember our Hire Purchase charges of only 8% are the lowest in town and represent a big saving to you.
