You will notice that for the first part of the programme there are no laps given for the races. This is due to the strict timing which has to be adhered to in connection with the B.B.C. events and can only be decided after practice. This will, however, be given out over the loudspeakers prior to each event.

The three races to be televised are numbers 4, 6 and 8, and during these races PLEASE keep away from all cameras and equipment.
