WELCOME

To Frome for the 3rd round of the Maxxis Tyres motocross Championship for 2009. Firstly I would like to take this opportunity to thank some of the people who without their help and support this event simply would not happen these include our Land Owners Aggregate Industries, our new series sponsor Maxxis Tyres, all of our A.C.U officials and of course the British Red Cross.

You will see we have added a new section of the track this year (not used since the 250 GP in 1982) in the form of a small but quite steep hill towards the end of the lap. This came about by virtue of a conversation between # 54 Nick Bowers, his brother Dean and Dean's son # 82 Ross Bowers whilst out putting in a fantastic amount of hard work to enable us to prepare the circuit to such a high standard, both Jim Webb and myself feel we cannot thank them enough.

We would like to wish all of our competitors in all classes a good safe days racing. As a club we very much hope that you enjoy the spectacle that is about to unfold and that both as competitors, and spectators that you will come and see us again at our next two events one on May 24 - 25th May and the other on June 28th

Yours in sport Steve Baughan Chairman Frome M.C.C.
