FINAL:

Silverstone 27th September (A.C.U.)

The Promoters reserve the right to alter or cancel the programme without notice.

Organised by

George Mackin Sales Director Philip Morris U.K.

Despite a reduction in financial interests by many major sponsors in all areas of motor sport for 1981, I am pleased to announce that the Marlboro-Yamaha Clubmans Series, so ably assisted in editorial by our friends at the Daily Express, grows in strength.

This will be our third year since the inaugural year in 1979, and once again the prize money for both the Rounds and the Final are improved.

As I know only too well, competing these days is expensive – and I am only too pleased that my own company can assist today's competitors with some small recompense for all of their efforts.

Last year we were delighted to welcome Euro-Helmets, who kindly contributed by giving a helmet to each of the Clubman Champions at the Grand Final. This year, as you can see, they are offering backing at every Round. Champion Spark Plugs, who assisted us at the Final last year, are showing continued interest and support. In addition, at the time of writing this letter of welcome, I understand that Dunlop UK are considering some form of service throughout the competition, as well as attending the Grand Final in September. So in Clubman racing at least, all is well.

Hopefully Clubman racing can continue to build on this now strong foundation, but it is only with the support of Road Racing Clubs and many volunteers throughout the country that it will be able to achieve continued levels of success.

1980 produced record entries for this Championship. This year there are already signs that last year's record will be broken.

So to all Clubman in this Series, we thank you on behalf of all the spectators attending each Round through to the Final at Silverstone on 27th September. To you all we give you our greatest thanks and wish you every success in this 1981 season.

George Mackin
