FOREWORD

As Chairman of the Manx 2 Day Committee may I welcome you all to our beautiful Island, and the 53rd year of this very special event.

We very nearly didn't run last year due to the outbreak of Foot & Mouth in England at the beginning of August. But thanks to our very hard working Clerks of the Course, their helpers, DAFF and the DOT we were able to put on a good trial, organised in less than 2 weeks, using only land that was nowhere near farm animals.

Following all that hard work, I was taken ill with Heart Failure at the end of the first day, and consequently missed the rest of the trial, so belated congratulations to the winners, and to all who did their best in the various classes.

This year's routes are the original ones planned for last year (all the leg work was already done)

With regard to this year's entry, we could possibly have the winners in both Solo and Sidecar classes on four strokes, but there are plenty of you out there who could put a stop to these fanciful thoughts of mine. Of course our local boys and girls will be putting up a good show and giving you all a run for your money.

I am sure that most of you know that sadly and very suddenly last September we lost a great supporter and friend of the 2 Day Trial, Geoff Cannell. Geoff had been associated with the trial since the very early days and had been Secretary, IOM Centre Secretary and of course had ridden many, many '2 Days'. He is very sadly missed.

Thank you all for coming, whether it be to ride, observe, help or just to spectate, we are glad to see you all.

Andy Smith

Chairman Manx National 2 Day Trial

MOTOR SPORT IS DANGEROUS AND PERSONS ATTENDING THE MEETING DO SO AT THEIR OWN RISK
