### EDITORIAL

The Committee would remind all riders that there must be no riding off the race course other than too and from the gate to the start line, and this must be at walking pace.

### VOTE OF THANKS

On behalf of M,S,S,C, the Committee would like to thank Mr Foxwell for the Winterbourne Bassett Course,

When the riders new it was on stuble land they though it would be more like grass track racing, However by the use of the woods and ditch of the two fields it made a very interesting course, and because of the stuble we saw front wheel slides as well as back.

The Committee would like to thank Mr Fortune for the use of the Scramble Machine which all members rode well by pulling the handle, It would need a service after the too days at Foxhan, However it was a winner for M,S,S,C, and all the prize money went into the club funds.

---

We all wish Steve Mitchell (66) well, who due to a bad leg will not be riding anymore this season, but will be having ago in the trial season,  
(GOOD LUCK STEVE.)

Mike Warner would like to thank all the members who phone and wrote to him after the C,S,S,C, scramble when he injured his arm, By the time you read this Mike will be riding again and hoping to get No 50 up front.

All members of M,S,S,C, wish Barry Byford a speedy recovery, Having visted Barry in hospital he is all ready a winner there, and is well and truly in charge of the Hospital were he will be for about 7 or 8 weeks.

I have now recieved a phone call from Barrys Father 12th Aug to say that Barry is now at home.

Well Barry now you are about in a wheel chair you will have to ask your Dad to bring you to a M,S,S,C, scramble so we can all see how well you are getting along.

Barry would like to thank all members for the cards, letters, and vists in the six weeks he was in Hospital, ( M,S,S,C, say get well soon No 6 )
