EDITORIAL

I would like to congratulate all the trials riders who received Trophys at the Championship Presentation.

The Trophys were presented by Mr D Maslin a trial rider himself and President of Swindon Motor Cycle Club.

The committee arranged a good selection of films which were enjoyed by the trials and scramble riders.

Photos were taken by the Evening Advertiser and published in the Monday evening issue.

The raffle which we had that evening you will be pleased to know raised the sum of £4-50p which the club welcomes.

A good night was had by all club members.

BEANACRE 21st MARCH 1976

The first meeting of 1976 which was a championship meeting got off to a good start, There was a good turnout on the start line of all groups.

We started off with a dry morning and good fast clean racing, After the lunch time break we then found the wet side of scrambling although this did not appear to slow the riding down, By late afternoon the hill on the far side of the course started to claim some of its victims.

However all race blocks were completed and a good meeting had by all.

The raffle ~~taxing~~ for the meeting was £6-40p.
