AUGUST 1975

### EDITORIAL

This issue includes the results of four championship scrambles and the championship points so far. The final championship positions will be decided on the best eight meetings for each rider.

On July 5th the Club put on a display of bikes and equipment at the Polo Ground at the scout's Focus '75. Our display attracted a lot of attention and the Evening Advertiser carried a photograph of it on the next Monday.

The remaining championship scrambles will be held on August 17th, September 21st, October 12th, and October 19th.

Trophy scrambles will be held on November 9th and December 26th.
