ISSUE NO. 5

Dear Members,

Today we are holding our Christmas Trophy Scramble which is the final meeting of this season (we shall of course hold the Boxing Day Scramble). All the superb trophies have been made for us by Mr. Tony Warden, for which I would like to thank him on everyone's behalf. You will have noticed the entry fee has been doubled to £1-50. per rider, this has been done to make a donation of the whole entry fee to the St. Johns' Ambulance Brigade, without their assistance and enthusiasm we could not hold our meetings. The presentation of this donation will be made at the Club's prizegiving and party which will be held at the Malmesbury Town Hall on December 17th. starting at 7.30pm. The presentation of the Championship Trophies will be made by Neil Hudson starting at approximately 8.30 - 8.45pm. The bar and catering arrangements have been made, and we are negotiating for the entertainment. The committee have agreed that the Club Funds will be used to subsidise this event and a charge of £1-00 per person will be made which includes supper.

I would remind all members that our Annual General Meeting is two weeks today December 4th. at the Moredon Community Centre starting at 7.30pm.

Finally I would like to take this opportunity to thank the whole committee and all the members for the assistance they have given me during this very demanding year.

Very sincerely,

Don Allen (Chairman).

CLUB NOTES.

PRIZEGIVING AND PARTY.

DECEMBER 17th at 7.30pm.

MALMESBURY TOWN HALL.

Tickets for the above event are obtainable from Mr. C. Hampshire at a cost of £1.00 each.

There will be entertainment, bar, supper and we have at great expense and under considerable duress obtained the services of Mr. John Foxwell as your Master of Ceremonies, (Kermitt the Frog had to cancel at the last minute).

Contrary to any rumours, you may have heard we have NOT been able to engage the Beatles or the Rolling Stones or Frank Sinatra.

But we have been very fortunate in our choice of dates, so that Neil Hudson has very kindly agreed to present the trophies for us.

There will be spot prizes, and the first prize in the raffle will be £5.00.

On October 9th this year I sighed a sigh of relief. Scrambling days were over, no more muddy clothes to wash, no more muddy boots with half a field on them, no more hosing down bikes so that you end up with a pond in the garden. All my cleaning materials and dusters in their right place. Buckets wont disappear anymore. No more having to remove half a motor bike from the bedroom before I clean it, no more arguments between father and son about meetings. All back to normal every day conversation and best of all no more getting up early Sunday morning to pack lunches. I'm up in the clouds, but wait, what is this, the conversation is changing, what's this, a new bike in the garage. Oh no, he is going to try motor bike trials. Ah well, the dream was nice while it lasted.

Mum of Ex. no. 86.

For those of you who thought that you were finally rid of me here's a reminder that you were wrong. I am afraid that you will have to endure the infamous Mark Price some more for there is no way to keep me from the M S S C Meetings next season.

As you all know, I have been a quiet lad at Moredon - well sort of - and people started to think that I was only interested in motor bikes and keeping quiet. Well that's just not true! ! my hobbies, besides motor cycling include dead torch battery collecting, bottle washing, training pole cats, cleaning motor bikes, mimicking Monty Python sketches, saying detrimental things about Honda and Kawasaki moto cross machines, telling Steve Mitchell that I hate him, and thinking of names to call Tim Seaford. Not including these, is Mum dodging - in which I divulge during the week due to complaints about mud. Although I consider this as more of an occupational hazard than a hobby, still it's fun.

But what has all this got to do with scrambling? Nothing you might say, and I would be inclined to agree with you, but at least it fills out the page. (All right Don!) The point is I would just like to say Thank You to everyone who make the meetings possible, especially Ricky Smith, without whom I would never have been able to make a fool of myself successfully.

During the winter I shall be taking up the noble art of trials riding (on a Japanese machine of course, bless their little souls, what would we do without them) but I still hope to find time to observe at a few of the Moredon trials.

So what of the future? At the moment I am still at school. After gaining seven "O" levels I was virtually compelled to take "A" levels. Subjects I am studying are Geography, English and Technical Drawing, as well as extra "O"s in Geology and Sociology. Unfortunately my quest to take CSE applied brain surgery was foiled due to the small take-up of one person for the subject. Still you can't have your cake and lay in it.

Finally, I would like to say that my two years with Moredon have been much appreciated and I hope that the friendly atmosphere that I have experienced will continue to be the dominant factor in the Moredon Schoolboy Scramble Club's success. Finally (yes this really is the end) I shall be attending the Boxing Day meeting and will present something to the Club which they will be able to keep as a constant reminder of their great loss. Incidentally, you will be relieved to hear that it is not my head or my soul, both of which are little use to anyone, including myself.

Until then,
all the best,

Mark Price (Ex. No. 86)
