AMCA news

No. 357 - 21st September, 1992.

AMCA VISIT DENMARK

Congratulations to the 125 AMCA International team who visited Denmark recently marking another step in the history of the Association. This was the first time the Danes had organised an IMBA Championship round and just for the record the AMCA riders competing were Anthony Kahl (Clee Hill) 7th, Aled Humphreys (Druids) 7th, Sean Grosvenor (Druids) 11th, David Bradley (Stratford) 12th, Lee Gaskell (Selby) 14th. Team Official was Lionel Beck.

Anthony Kahl finished 3rd in the Championship which saw the most rounds held before in the IMBA with events in Belgium, Denmark, France, Germany, Holland, Switzerland as well as GB.

AMCA - ACU CO-OPERATION

The recent Welshpool trial saw the event opened up to the riders of the ACU's Midland Centre who included the event as a Group Trial Championship event in their calendar.

Over 100 riders competed in the trial which is now the only AMCA trial to use an open circuit. Many former AMCA members turned up to observe and several of the ACU riders were former AMCA riders.

AMCA COMMITTEE MEETING

The next meeting of the AMCA 20 group co-ordinators is scheduled for Saturday 10th October and among the matters to be discussed will be the grouping of clubs for 1993 for moto cross events. Any club or member who wish to submit their point of view should ensure their group co-ordinator is made aware or if they prefer write in to the AMCA office as soon as possible.

AMCA - AGM - DECEMBER 6th

Clubs have been asked for proposals to be sent in before October 5th.

MOTO SPORT SERVICES

9th September 1992

Haydock Street,

Tel: 0744 612902

Dear Don,

First, thanks for your help and concern about my Son Andrew after his accident, he is progressing well after a brief scare when he developed a blood clot on his spinal cord, which rendered him paralyzed again from the waist down.

After an operation in which they managed to clear the clot and a broken wedge of his tenth vertebrae that was pressing on his spinal cord, they proceeded to screw two plates into his spine between T9 and T12, which he will have to have in for life, to spread his vertebrae away from the damaged T10 and T11. Andrew and ourselves have been assured that the plates will not cause a great loss in his mobility although he will have restricted twisting movement.

At this moment he has almost full control and power in his right leg although no feeling, and sensation but no movement in his left leg. The time scale for his injury the Consultant (Mr. Ravichaudrau) won't even guess at, he is talking in terms of 2 to 4 more weeks on his back, then making a brace to support his upper body and putting Andrew in a wheelchair, so they can start to teach him to walk again.

Andrew in himself is in a very good frame of mind, he knows how serious his injury is, but also knows how much worse it could have been, he is determined he will be riding again, although he knows it will be at least two years if everything goes ok, before he will be fit enough. He also accepts that his injury was a one off and does not put any blame on, the track, the other riders in his race or, the organising club for his accident as he says "if you can't stand the heat, stay out of the kitchen" in fact his main goal at the moment, is to get out of Lodge Moor, even if it is in a wheelchair, for the Gtr. Manchester Group Championship presentation so he can collect his 9th place expert trophy.

We will keep you informed of his condition and progress as time goes on.

Yours in Sport
G.T. Fairclough
