KARTING

ONCE again the directors of Oulton Park present a National British Kart Meeting to the public and the cream of the country's drivers will be assembled to thrill you as they push their machines round the Club Circuit at speeds undreamed of by karters some two or three years ago.

The winner of the Super Final in May this year lapped the circuit in 1 minute 12.4 seconds and doubtless we will see this record broken today. Road speeds in excess of 110 mph will be reached by the faster men today and as you can imagine control of a rigid frame with direct steering is no easy matter at these speeds.

The high standard of driving skill attained by some of today's competitors will be reflected in the lap times, which will be faster in many cases than cars of ten or a dozen times the cubic capacity, and it is our earnest hope that some of the boys on view today will one day be amongst the big names of GRAND PRIX RACING.

Our entrants today come from every corner of the British Isles and some measure of their devotion to our sport can be assessed by the distances they travel to take part in races whatever the weather or road conditions.

May we in closing offer our thanks to Mr. Rex Foster and the Directors of OULTON PARK whose far-sightedness in encouraging KARTING on the major circuits will surely bring them the rewards they so richly deserve as the sport continues to grow.

LESLEY A. HESKETH,

(Secretary B.F.K.C.).

May we also thank the Chester Motor Club whose help in providing marshals at our meetings is one of the main reasons for their success. Thank you Les Jones and THE BOYS.

FURTHER KART MEETINGS arranged by Blackpool & Fylde Kart Club in conjunction with Cheshire Car Circuit Ltd. at OULTON PARK—
