RIDING IN THE Paddock

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the Paddock. All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is necessary. It cannot be stressed too strongly that liability for a substantial claim could rest with the owners of the vehicle and the driver. Or the parent in the case of a minor.) The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

Welcome to Stammerham Farm for Round 4 of the British Sidecar Motocross Championships an event originally scheduled for April but was rained off - let's keep our fingers crossed that Mother Nature is kind to us this time.

Leading the sidecars into today's meeting by 47 points is multi British Champion Chris Etheridge and John Chambers. John recently sustained an injury at work so we are hoping he is able to join us today. In second place with 125 points are Stuart Brown and Luke Peters who have shown great form in these championships. Ten points behind Stuart are Colin Philpott and Ian Beavis but at the time of writing it looks touch and go whether Colin will make it as he dislocated his arm at the Belgian Grand Prix only last Sunday. The only other crew to have amassed over 100 points so far are the Turner brothers Kevin and Mike who will give their all to get on to the podium today. Add to this another 20 plus crews all desperate to gain points and you have a recipe for three brilliant races on this fast and demanding circuit.

The ACE Fourstroke Championship supports the sidecars today and all of these lads will entertain you with, not only, a thrilling sight but also with the sound of these mighty fourstroke machines. Watch out for Rob Mead who won both races at this circuit about a month ago but with the likes of former British Champion Greg Hanson, plus Tom Fuller and Gary Woollam etc. Rob may not have such an easy ride this time.

Last but certainly not least we have an Invitation Race. This race is for riders who have put in all the hard work setting this meeting up, either behind the scenes, on the track or maybe supplying marshals etc. However, don't think it will be a slow race as we have riders in the form of sponsor Scott Robinson and Greg Fitch who will probably set lap times as fast as the fourstrokes.

Finally we must say a huge thank you to our sponsors today: Pete Spacagna Recovery, Simon at MST, Scott Robinson of Atlas Security Doors and also to the two Roys of Euro Moto Sports.

Whoever you are here to watch please give them your full support, have a good day and enjoy yourselves.
