### TO OWNERS AND TRAINERS.

All greyhounds running at this Stadium, whether in races or trials, do so at the owner's risk.

### RULE 4

The Stewards may declare a NO RACE only in the following circumstances:

- 1 Mechanical or other defect of the equipment or starting box or any outside interference with the race.
- 2 If no greyhound completes the course within a reasonable time.
- 3 Invoke N.G.R.C. Rule 38.

The Greyhound whose nose, in the opinion of the Judge, first reaches the winning line shall be declared the winner. The judge's decision is final.

### PHOTO FINISH AND PHOTO TIMING

are under the control of an independent undertaking, the Instaprint Camera Co. of London. The Judge is the sole arbiter of the result of every race. The Judge may call for a photo finish before announcing his verdict, and on examination of the photograph will give his decision, which in any or all circumstances is final. If there is a mechanical breakdown of the photographic apparatus the Judge's verdict must prevail. A copy Photo Finish print of every race called for by the Judge will be exhibited in each enclosure immediately it is available. Each individual greyhound 1st, 2nd, 3rd, 4th, 5th and 6th is photo timed the instant it reaches the winning line. Photo finish prints will therefore record the actual times taken by respective greyhounds shown on the print to complete the full distance of the race. For the purpose of calculating in future .06 will equal 1 length; .04 =  $\frac{3}{4}$  length; .03 =  $\frac{1}{2}$  length; .02 =  $\frac{1}{4}$  length or neck; .01 = head or short head.
