DORSET CLASSIC SCRAMBLE CLUB

Presents the
Clash of the Titans Scramble
Open to Pre 60/65/74, Twinshocks
By Kind Permission of the landowner
Mr Allen Miller

All vehicles parked at owners risk

Warning

Motor sport is dangerous and persons attending this meeting do so entirely at their own risk. It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers and owners of the vehicles, are absolved from all liability arising out of accident, howsoever caused resulting in damage and/or personal injury to spectators or ticket holders. The organisers reserve the right to alter or omit any part of the programme.

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a minor).

Notice to the public

This event is being held on private property and you are strictly forbidden to cause damage in any way. Spectators are forbidden on the course or in the competitors paddock or to proceed beyond the spectator area. Persons ignoring the course Marshals do so at their own risk. The Promoters DO NOT except responsibility for any accident arising there from.

Police Notice

Due to the increase in the number of thefts of and from motor vehicles especially riders vehicles, during similar scrambles, the Police strongly advise you to lock your vehicles and remove articles of value.

For those new to our sport a little explanation may help you enjoy your day.

The Pre '65 group is fairly self-explanatory - Bikes manufactured prior to 1965, some modification is allowed but the bike should remain in the spirit of the period. **The pre '74 group** is much the same - Bikes manufactured prior to 1974. Both groups are sub divided into two engine sizes.

Twinschocks - these are divided into ability groups, A being the faster group through to D for the less competitive minded rider. Engine size is not considered in these groups. Twinschocks should have - two rear shock absorbers, drum brakes and an air-cooled engine. There are exceptions, such as the single shock Yamahas that you can see here today, but that opens up a whole can of worms.....
