DEVON CLASSIC MCC LTD PRESENTS

THE

BADGER GOSS TROPHY SCRAMBLE

By kind permission of the landowner

ALL VEHICLES PARKED AT OWNERS RISK

Welcome to the lovely sweeping track here at Widworthy, where we run with the kind permission of **Ross Broom** and his family. In this Platinum Jubilee year of the Queen's coronation, we have added a couple of extra classes to the programme. We now have a Pre 1978, to cater for bikes built up to the end of 1977. Whilst not a sea change to the later pre 1984 machines in Twin shock, there were some significant improvements made post 1977 which make them a little less competitive, hence the new class.

The other class we have introduced is a "Clubman" class. This class is intended to provide an opportunity for people to ride their machines on the race track, but away from the 'cut and thrust' of those out to ride competitively. Machines must be of the Classic or Twin Shock era. We hope that this will encourage riders to bring out bikes which would otherwise remain in their garages, and bottoms that would otherwise remain on sofas, onto bikes!

We hope both riders and spectators enjoy their day!

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock.

Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a minor).

POLICE NOTICE

Due to the increase in the number of thefts of and from motor vehicles especially riders vehicles, during similar scrambles, the Police strongly advise you to lock our vehicle and remove any articles of value.
