MOTOR CYCLE SPEED HILL CLIMB

at

COUCH HILL FARM

Near

SEATON

(by kind permission of the Farmer Mr. Thomas)

WARNING—Motor Racing is Dangerous.

You are present at this Meeting entirely at your own risk and the ticket of admission is issued subject to the conditions that all persons having any connection with the promotion and/or organisation and/or conduct of the Meeting, including the owners of the land and the drivers and owners of the vehicles are absolved from all liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property howsoever caused.

Persons crossing the course, or ignoring the Course Marshalls, do so at their own risk.

SPECTATORS ARE FORBIDDEN IN THE COMPETITORS' Paddock.

GENERAL INFORMATION

The Hill is approximately 153 yards long.

This is the second time using this Hill, always in the past the hill on the opposite side was used, but general opinion was that a new one was wanted, so much work was put in preparing this one, which at the last hill climb the riders very much enjoyed. This is a knock-out basis, riders going up in pairs until eventually coming down to the Final two riders.
