## THE WESSEX SCRAMBLE

The Wessex Scramble was first held in 1929, and every year thereafter until 1938. After the war, the series was re-started in 1947 at Farleigh Castle, near Trowbridge; held in January under Arctic weater conditions, with half frozen mud, it was a truly frightful affair. The event was not run in 1948 due to petrol rationing, and in 1949 the Centre decided to entrust the organisation of the Scramble to the Tor Club, and the first of a run of very successful meetings was held at Glastonbury. In 1950 the "Wessex" went to a new course at Hinton Charterhouse, near Bath, but was poorly supported. Another attempt to put the event on as a National meeting at Hinton Charterhouse in 1951 failed completely, and the Scramble had to be cancelled owing to lack of entries.

Rather than see the name of the "Wessex Scramble" disappear completely, the Centre decided to ask the Tor Club to run it in 1952 as an Open-to-Centre event. This proved highly successful, and the club continued to organise the "Wessex" in 1953, 1954 and 1956. By this time other clubs in the Centre were finding suitable courses and in 1955 the Shepton Mallet Club ran the event at their course at Westbury-sub-Mendip, and in 1957 the Bristol M.C.C. put on a fine meeting at Henley Quarries, Yatton.

This year sees the return of the Wessex Scramble to the National calendar, and once again it returns to its favourite venue at Glastonbury. We hope it will be the forerunner of another long series of successful National meetings.

### WARNING—Motor Racing is Dangerous

You are present at this meeting entirely at your own risk and the Ticket of Admission is issued subject to the conditions that all persons having any connection with promotion and/or organisation and/or conduct of the Meeting including the owners of the land and the Drivers and Owners of the vehicles are absolved from all Liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property howsoever caused.

### Note to Competitors :

As the number of entries received for Events 1, 2, and 3 exceed the number permitted on the course at one time it will be necessary to run heats. If, however, there are several non-starters it may be possible to dispense with the heats. Drivers are requested to be prepared, therefore, to come to the starting line at short notice when called.
