AN
ILIFFE
JOURNAL

THE AUTOCAR goes in close and wherever its instincts take it. That may mean anything from breath-taking action shots to fighting off attacks on motorists' rights. But much more goes into THE AUTOCAR. Internationally famous Road Tests of current British, U.S., and Continental cars. Brilliant technical analyses and cutaway drawings of latest models. Comprehensive Show reports. Idea-packed surveys for touring and holiday motoring. As a reader of THE AUTOCAR, you are one of a well-informed leadership group.
