## THE 'DUKES' DEBATE

Old Man Weather still fails to look upon us too kindly. Last week both our matches were rain affected. At Sheffield on Thursday continuous rain washed out any chance of our Northern Cup fixture with the 'Tigers.' For our League match with the 'Falcons' on Saturday the Heavens opened up at 6 p.m. and for an hour the match was in some doubt; fortunately the rain did ease up and we were able to get under way.

In extremely wet and difficult conditions both teams put up a great show, earning praise from one and all. Dave had engine trouble in his final ride—quite an expensive noise which means Dave has invested in another new engine. Young Eric took one ride to get the loaned Charlie Monk machine weighed up then rattled home eight paid nine—Eric's machine was written off in Poland when the trailer carrying the Great Britain team's machines was in collision with a lorry. Tommy's E.S.O. was motoring much better and the way Tom came from the back proved what a great rider he can be.

Young Ian didn't have the best of conditions for his 'bleeding' but, as you could see, he is a determined lad.

Bert and Bob, now quite used to wet English tracks, were undaunted and made seven each. Taking the No. 1 spot was probably a bit hard on young Gav, the boy tried hard and that's all that anyone can ask.

As you know, the Skipper crashed last Saturday week here at The Shay with Sheffield's Jack Kitchen. At first it was not thought too serious but Eric's right foot came up like a balloon and the Doc ordered a couple of weeks rest. We are hoping that couple of weeks are up tonight and that Eric will be fit to lead the mighty 'Dukes' into combat against the 'Hammers,' who are the holders of the K.O. Cup and who are going to do their damndest to hang on to the trophy.

On Thursday we were at Oxford without the Skipper (team substitute rule applicable) and young Eric, riding for Great Britain at Sheffield, (substitute in the form of Coventry's Ron Mountford applicable). Young Eric was back in the 'Dukes' colours at Hackney last night—the result of both matches we shall give you over the P.A. this evening.

Next Saturday we have another tough task on our hands when we take on the Swindon 'Robins' in a British League match. Led by England's Mike Broadbanks, the 'Robins' feature one of the all time greats in the history of

speedway racing. Yes! Barry Briggs, three times holder of the World Crown and winner of every major trophy in the game, rides at The Shay next Saturday—be warned, come early.

And now for tonight's K.O. business. Let's hear that 'Dukes' war cry and have all those programmes waving too.

### UP THE 'DUKES'!

## A POEM . . .

Received from Miss D. SENIOR, Old House Mill Cottage, Sowerby Bridge

They're not the oldest, not the latest,  
But they'll always be the greatest,  
They will always stand the test,  
That's why they are the best.

You haven't guessed yet who I'm  
talking about?  
Then go to The Shay and you'll find  
out,  
Every Saturday night with engines  
roaring,  
You'll see the 'Dukes' in all their glory.

They're so brave and they're so daring,  
Look so slim in the suits they're

wearing,  
They ride fast to give us thrills,  
Give us frights when they have spills.

Eric Boothroyd is the Captain,  
Eric Boocock is the Star,  
Greg and Dennis are good looking,  
The 'Dukes' they must go far.

We get hoarse with all the cheering,  
Sometimes the opposite side are

jeering,  
But we know they're the ones we

choose,  
Whether they win or lose.

Dave Younghusband rides so well,  
Tommy Roper looks so swell,  
At Bob Jameson we don't have to  
frown,  
The 'Dukes' are the best in Halifax  
Town.

Bert Kingston is so slim and quick,  
The 'Dukes' ride by, and the dust rises thick,  
They must all stick together and none of them leave,  
Cos the 'Dukes' are high in the Speedway League.
