We wish to extend our most grateful thanks to our President for the use of the land for this afternoon's meeting.

Future use of the land depends on the amount of litter lying around after the meeting. Please remember, broken glass and plastic bags are dangerous to cattle, so please take all your litter home with you.

For your own safety and that of the riders, please do not cross the course whilst racing is in progress, and then only when a marshal tells you it is safe to do so.

**WARNING—MOTOR RACING IS DANGEROUS**

You are present at this meeting entirely at your own risk and subject to the conditions that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers and owners of the vehicles are absolved from all liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property howsoever caused. Persons crossing the course or ignoring the Course Marshalls, do so at their own risk.
