# The Perce Simon Trophy

Above is a reproduction of a photograph of the exceptionally fine and now irreplaceable Trophy from which the Trial gets its name. This Trophy was presented to the Club by Miss May Harrocks in memory of Perce Simon, her fiancé, who was unfortunately killed whilst competing in a Scramble.

The Simon brothers—who moved to the Parkstone area, coming from Basingstoke in the early 1930s—both joined the Ringwood Club and soon became very well known locally in motor-cycle circles. Frank Simon who was a keen Trials and Scrambles rider, and who won the Perce Simon Trophy in 1937, met his death early in the last war whilst serving in the R.A.F. as a Sergeant Pilot.

The Trial was granted national status in 1938, only two years after the event was first run.

**THE OBSERVERS.** Our thanks to all those who have turned out (and to their wives who have let them) including most of the local Clubs. Often a very thankless task—one which must be done but not taken for granted.
