Lucas Rita Electronic Ignition

lifts your motorcycle performance out of this world

With Lucas Rita electronic ignition fitted to your motorcycle you'll note the easier starting, hear the smoother running at idling speeds, feel the increased acceleration and see the improved fuel consumption.

Lucas Rita electronic ignition comes in custom-built simple-to-fit kits, complete with instructions; and is available for most makes and models.

All over the world Rita has claimed victory after victory in top class competition, proving its reliability; so fit Rita yourself and lift your motorcycle's performance out of this world.
