The grateful thanks of the club go to the Red Cross, Dartford, Kent County Council Constabulary, and to members and friends who have acted as Marshals and Officials, and to the Riders who have made this meeting possible.

**WARNING: Motor Sport is dangerous and persons attending the meeting do so entirely at their own risk.**

It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of this meeting, including the owners of the land and the drivers and owners of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders.

## FLAG SIGNALS

Chequered ..... Finish  
Yellow ..... Caution Danger Ahead  
Red ..... Danger all machines stop  
Black with number displayed .. Driver bearing that machine number to stop

## COMPETITORS NUMBERS

Regulation size. One in front, plus one each side, following colours:

125 cc - White on Black  
250 cc - White on Green  
350 cc - White on Blue  
351-500 cc - Black on Yellow  
Over 500 cc - Black on White

Make sure your numbers are readable - remember the lap scorers.

This competition is held under the National Sporting Code of the A.C.U., together with any approved Supplementary Regulations.

## RIDING IN THE PADDOCK

Once again attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the Paddock.

All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is necessary. It cannot be stressed too strongly that liability for a substantial claim could rest with the owners of the vehicle and the driver. (Or the parent in the case of a minor.)

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

## CARAVAN TOILETS

Please do not empty your chemical toilet in the general public's toilets during the meeting.

## TIMETABLE

**Scrutineering:** 8.30 to 9.30 a.m.

**Practice:** 10.00 to 11.00 a.m.

## Abandonment or Cancellation

The organisers reserve the right to postpone, cancel or abandon the meeting or any part thereof should circumstances warrant such action.

Under no circumstances should you cross the course whilst racing is in progress. At such points where it is permissible to cross the course, a marshal will indicate when it is safe to do so.

## ADDITIONAL NOTICES

The organisers, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators are warned of the danger presented by wandering animals and therefore the Club insists on all dogs being leashed.

Land suitable for running events is still in very short supply. Having found this course the Sidcup & District M.C.C. want to keep it. It is with this in mind that we appeal to both spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.

The Sidcup Motorcycle Club  
*wishes to thank*

**W**elcome to Canada Heights for the 1995 Inter Centre Team Moto Cross, organised by the Sidcup and District MCC on behalf of the Autocycle Union.

We would like to extend a warm welcome to all team members, managers and supporters who have made the long journey to be with us today.

The Inter Centre Moto Cross has been going for many years held in all different parts of the British Isles, last held at this Venue in 1982. As the promoting club and representing the centre that last year ended the South Midland Centre's run of six consecutive victories we all hope that our team can repeat the medicine on home ground, but there are some strong teams entered and all to race for.

The format for today's racing will have 2 riders from each team riding in each of the 4 races, points are awarded 1 for 1st 2 for 2nd and so on so every finisher counts. You can see the most important thing is to get to the finish line somehow. For any rider who fails to finish they will automatically be given **50 points**. The team with lowest aggregate score for the best 6 results over all the 4 races will be the winners.

May I on behalf of the club and the South Eastern Centre wish you all a good day's sport; let's hope the weather is kind and coupled with good company we are all bound to have a good day.

Clerk of the Course
