This is an ACU National competition held under the National Sporting Code and the Standing Regulations of the Auto Cycle Union together with the 2001 British Fourstroke & Sidecar Motocross Regulations and any supplementary regulations issued by the promoting club

Entrants whose names do not appear in the programme will not qualify for any points or prize money and will be riding with 300+ number.

RIDING IN THE PADDOCK

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the Paddock.

All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is necessary. It cannot be stressed too strongly that **liability for a substantial claim could rest with the owners of the vehicle and the driver.** Or the parent in the case of a minor.)

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

Timetable

Scrutineering: 9.00 to 10.00 a.m.

Practice passes - these will be issued by machine examiners after scrutineering. You must produce your pass before practising.

Practice starts: 10.00 a.m.

Experts, Juniors, Fourstrokes, Sidecars.

All sessions 15 minutes.

Racing will start immediately after practice. If you are not on the start line for your race - the race will NOT be held up.

Absolutely no riding in pits - and no trespassing in fishing lake area - penalty exclusion.

Crossing the Course

Under no circumstances should you cross the course whilst racing is in progress. At such points where it is permissible to cross the course, a marshal will indicate when it is safe to do so.
