THANKS

THANKS FROM LANGRISH MOTOR CYCLE RACING CLUB

Welcome everyone to the first Sidecar Grand Prix at Langrish since 1998. Welcome also, to all the Quad Riders and Teams competing for the first Quad European Championship to be held on British soil.

When our Club announced last August that we had applied to run this event, it seemed an age away. As the date has drawn nearer the pressure and excitement has built up to almost fever pitch. It has been a "Big Ask" for our Club Members and a massive financial gamble also.

The Langrish Club are a Good Old Fashioned Club running a World Championship Motocross. We have no promoters behind us and we are just a bunch of lads and lasses putting everything we can into the event.

It has been our dream to bring World Championship Sidecars back to Langrish. Now we have the added attraction of Europe's Top Quad Racers. This is a formula that we think will give you, the Spectators, the best possible value for money.

As Clerk of the Course, I thank each and every one of our Club Members and Club friends and family, for the fantastic effort they have put in to make this event happen.

When the first race goes off the start line on Sunday it will be a very emotional moment for us all.

We as a Club hope we can give you all the entertainment and excitement you expect and we hope that you will show your appreciation by cheering on all our British riders and making as much noise as possible.

I wish you all a Great Weekends Racing.

Please stand well back behind the fencing and keep yourselves safe.

Yours in sport
Chris Warren
Clerk of the Course

2010 COLLECTION

9300 **£149.9**9

The supersized 9800 was made to move with oversized, off-road wheels and a retractable pullman handle, but its protected compartments appeal to anyone who travels hard and heavy. The redesigned 9800 powers up protection with the aid of the new SLED (Structural Load Equalizing Deck) system, while providing padded protection for unlimited gear.

A go anywhere gem with plenty of storage for you all of your gear. Beautifully simple.

Diego

Every detail was considered in creating the 6900: from its chest protector storage and vented side boot pocket, to tool, helmet, and goggle storage, this bag is a rider's ultimate sidekick.

MR SIDECAR CROSS

Seven years ago this weekend a very good friend of mine tragically passed away.

Not only was he a good friend to me, he was also a good friend to Sidecar Cross. It didn't matter to him whether you were a GP runner, a National Regular, or a Club Junior, just so long as you rode a Sidecar.

If he thought you were wrong he would tell you if you needed help he would help you. If you were "skint" he would find someone to finance you.

I have known him let two hard up drivers take over the garage at his house so that they had somewhere warm and dry to prepare their outfits.

I have also known him travel miles to visit a rider in Hospital.

He would also run me ragged to get a rule changed for the benefit of the sport. You must all know that I am talking about **CYRIL PALMER**. A real gentleman (even in his funny shorts).

Cyril would have been so proud to see a Sidecar GP back at Langrish. It was his dream so much so that he started his "100 Club".

Now do not ask me how it worked. All I know is that if he started talking to you about it you always parted with some cash. All the cash that Cyril collected was put into a fund. This fund was to help any Club who put on a Sidecar Grand Prix.

Nothing happened for six years until a Club like ours came along to give a Grand Prix a try. The Sidecar Motocross Association, who were the custodians of his money sent us a cheque recently. We have decided to use this cheque to pay for the hospitality facility on show this weekend.

It has been called "The Cyril Palmer Hospitality Suite". We felt that we wanted to honour a man who would have been in the thick of it this weekend to make sure the British Round was a good one. We as a Club hope you have a good weekend and all do Cyril proud.
