A WELCOME FROM THE OWLS MOTOR CLUB

Welcome to the Second Ray Denyer Sidecar Trial. The Owls Motor Club organised the first of these events in 2018 and enjoyed the experience so much we have come back for more.

The OWLS Motor Club was established in 1926 and has organised trials, scrambles, road racing (as part of the Brands Hatch Combine) grass track, motorcycle gymkhanas, hill climbs, road runs, and we can claim Eric Oliver, TT winner and four time FIM World Sidecar Champion as a past member.

The name Ray Denyer honours our longstanding and treasured member who has held most roles within our club, President, Chairman, Trials Secretary and Treasurer to name a few, and it is apt that Ray will be presenting the trophies at the end of the event.

Westwood Farm provides us with very good land for our club trials, and when we asked the farmer, Mr Fred Hamlyn, if we could hold this National Trial here, he was immediately supportive, as are his son Richard and daughter Sarah. We want to record our continued thanks therefore to the Hamlyn family for today's venue.

There are many others to thank, these events do not just happen. I am most grateful to my wife Joyce who does all the trials administration for the club. Thanks also to all club members, not just from our own club, but from our sister clubs in this centre, as well as to all Competitors, Sponsors, Spectators, and especially our Observers, without whom, there would not be a trial today.

We sincerely hope that today's event will be successful and that you all have an enjoyable day.

With thanks from the OWLS Motor Club
