**Welcome to Telford
 all fellow off- roaders.**

Well what a show we had in 2022 ! it was great to feel the 'buzz' return to the Show after a difficult period in everybody's lives, with many, many smiles being reflected in the highly polished array of machinery on display (this may explain the shortage of metal polish in some parts of the country..)

This certainly made the various category nominations very worthy winners indeed.

Lets keep the good vibes going, and wish you all an enjoyable & safe season.

*Yours in Sport
 Hagon Shocks*
