ABERDARE ROAD SAFETY COMMITTEE

ROAD SAFETY CAMPAIGN

Be a Better DRIVER

THERE is little doubt that if a minority of drivers decided to improve their own driving it would have a greater effect on reducing road accidents.

YOU, whatever you do, don't imagine that because you have driven for years, your driving is perfect ! Check your standard against a driving manual or with other drivers. Watch their faults and then think of your own—then cure them.

Every day you'll be a

BETTER DRIVER

IF YOU ALWAYS

Keep your temper
Expect the unexpected
Allow ample time for your journey
Give clear signals in good time
Adjust your speed to conditions
Park off main roads
Keep your machine in good condition
Always be courteous to other road users

From the Sec.

At the beginning of the racing season we are once more faced with the task of recommending riders to your notice—and from the small number of events to date we have no hesitation in naming Dan Shorey. We have already seen him riding magnificently through the medium of TV and, seeing he has entered all five events today, we know that we are to have a feast of good racing.

His chief rival of last year, Mike Hailwood, is not here today because he is concentrating on the 1961 World Championship events and will be riding in the German Grand Prix tomorrow. Here's wishing him the best of luck.

A rider with a very familiar surname will be riding in this meeting for the first time and can be sure of a very special " welcome in the hillsides." World Champion John Surtees is first mentioned in our programmes in August 1952, Aberdare's first National event, and began winning straight away. We hope that will be a good omen for his young brother Norman on his first visit today.

Michael O'Rourke is no stranger to Aberdare crowds, having ridden in the Park many times. We were all delighted when Mike rode his Ariel into seventh place in last year's Lightweight T.T. His was the first British machine to finish (and this in its first season of racing !)

Tony Godfrey delighted all his many friends when, rushing out to the United States this year with Mike Hailwood, he very decisively won the American Grand Prix. He says his prize money was dazzling but so unfortunately were his expenses !

At Silverstone this year, the ITV provided us with a wonderful showing of the 125 c.c event which was won by one of our regular competitors, Dave Moore. He will be riding the same machine today—a 125 c.c. Paton.

Once again Wales is well represented in today's event and spectators are advised to watch young Selwyn Griffiths who has started the season very well with heat and Non-Experts wins at Thruxton and a 350 c.c. win at Silverstone. Viewers will have seen the programme about Ivor Watton and his wonderful Ducati on ITV with the shots of Ivor practising at Llandow, and will look forward to his riding. Malcolm Uphill of Caerphilly can be relied on to get " in the money " and a special mention is surely owing to Ivor Eveleigh who rode in our first meeting in 1950.
