Chairmans Address

What a quick year!

The Park was packed away and off to Isle of Man for a well deserved break. A massive crew of club members boarded the ferry and we were soon to land on the 2nd best place on earth, the first being so obviously the Park.

The reason for our exodus to the greatest race known to man was to follow the newly started career of local boy Matthew Rees astride his newly acquired GT Superbikes Kawasaki zx6. I can only say how proud we were to don the club shirts we had secretly ordered, everyone knew the Aberdare boys were in town and even as far back as last August we had started to lay down a game plan for the greatest show ever to be held in the Park. I had a conversation with King of the Mountain 21 times (23 times at time of going to print) TT winner John McGuinness. I spoke of my wishes to have him as special guest at the Park and I knew then that it was only a matter of time before he agreed. As the months passed no communication came from the camp of Mr McGuinness, so I had no option but to go the Godfather himself, Phil Morris. Within a short time an agreement was made and John had indeed promised to come to the Park. I suspect he was made an offer he could not refuse as Phil has a certain way about him and plenty of swagger. The pace gathered and preparation was under way, shows attended and even a TV campaign designed around the Park. All of a sudden we are out of time the races are back and I think we have one of the best line ups we are ever going to see in the Park.

We have the King, we have Mathew Rees, Jay Bellers Smith, Dan Cooper, Daley Mathison, the Goodings brothers plus Simon 'Kin' Harris and HELboy Alex Smith. That's a brilliant recipe for some superb racing we are going to add some seasoning in the mix and will give you the most brilliant grids ever seen at the Park.

Also our thanks go out to the British Kart Gp gang. We think their efforts to entertain are superb and the crowds absolutely love 'em.

Our officials as ever need a special thanks as without them our event would not run.

Our sponsors and supporters are also very much appreciated as are the use of our wonderful Park and the help we receive from RCT during the set up and clearing away afterwards.

As ever please give a little thought to our racing brothers who again we have sadly lost, for these are the racing heroes who like our weekends racers are simply chasing a dream and indeed for a split second had followed and caught it.

I do hope this year's races bring you as much enjoyment as we, the Club get from staging them.

On behalf of the Aberaman and District Motorcycle Club, I would like to wish you a happy weekend with safe racing.
