#### Welcome back to Aberdare Road Races

Aberdare Park Road Races return this year from a 14 year absence.

In the past Aberdare Park has given many World Champions the experience of racing on a tight, twisting and very testing road race circuit. World Champions such as Mike Hailwood, who has just made such a fantastic come-back at this year's TT, John Surtees, the only man to win World titles on both two and four wheels, Phil Read, still riding today and holder of eight World titles, World Champion Cecil Sandford and the late Bill Ivv.

Many other famous names also rode at the Park: Malcolm Uphill, the first man to lap the TT circuit at 100 m.p.h. on a road machine, Selwyn Griffiths former TT winner, and Gordon Pantall, former Manx GP winner — Welshmen all.

Bob McIntyre, the first man ever to lap the TT course at 100 m.p.h., Dave Bennett who rode for the 'works' Norton team and many others too numerous to mention. Sheene has even raced on the 'Park', no, not Barry, but his father Frank way back in 1955!

The Park circuit was described by Mike Hailwood as being 'the best short circuit I have ever ridden on' and said that other than the TT Aberdare Park was the only race meeting to give him blisters on his hands and backside from working so hard!

It will be interesting to see whether any of this year's riders will develop into future World Champions, but they will probably end up with blisters on their hands and backsides!

From this year's entry, riders to watch in the 500 c.c. event will probably be Colin Bevan (Yamaha), Phil Landeg (Suzuki), Barry Needle (Yamaha), Colin Gilbert (Sparton Phoenix) and Mark Kirk (Maxton Yamaha).

In the 350 c.c. event watch for Michael Pellow (Yamaha), Steve O'Brien (Yamaha), Mick Moore (Johnson Yam), and Bill Lawrence (Yamaha), George Pinch (Yamaha), and Peter Heenan (Yamaha).

For the 250 c.c. event it would seem to be Keith Hansford (Yamaha), Brian Tonks (Litchfield Yamaha), Mick Withers (Yamaha) and Robert Breeze (Yamaha), while in the 125 c.c. events Andy Silverthorn (Morgan Yam), Bill Lawrence (Honda), and the evergreen Fred Launchbury, just back from the TT. Fred is incidentally the only rider here today in the last event 14 years ago.

Another interesting rider is Roy Bisby (Yamaha) who has raced extensively on the Continent and in this Country, started his racing at the Park and is returning today after a retirement of two years.

The final event of the day, the 'up to 500 c.c.' event, should prove fascinating. We have the light and manoeuvreable 250's and 350's against the heavier and more powerful 500's. Around Aberdare Park's tight and twisting circuit it should prove quite a contest.

The racing this year is being filmed by the B.B.C. for future showing in their Sunday Sport programme and it is worth noting that Aberdare Park played host to the first 'live' outside broadcast of a motor sport event in 1955. So, if you happen to see a camera pointing at you just give it a nice big smile. Who knows, you might be on T.V. in September.
