Chairmans Address

Well that was a quick year. Another 3 heroes fell at the Isle of Man this year, and as ever, our thoughts go to their families. The biggest blow of all was losing national treasure and motorsporting hero, John Surtees. As most of you will know, as avid followers of the Park, John has his first ever win at Aberdare Park, and to his credit, never stopped bleating about it, any chance he had! I think it will be hard to find anybody to be so complimentary towards the Park as the late great man himself. With this in mind, we thought it only proper to dedicate this year's weekend to his memory.

As a Club we have decided to rename Monument Bend at Surtees. We are led to believe that this was his favourite part of the track. He made mention of it in many of his conversations with other people, I hope you will agree this will be a fitting tribute.

On a positive note: I have managed to secure yet again the company of none other than John McGuinness, who in my opinion deserves a knighthood for what he has done for motorsport, but that is a battle for another day. Five podium man Peter Hickman will also be with us, what a tremendous achievement at one TT. And, iconic racer Steve Plater makes his debut at the Park.

As ever the lads will be camped on Morris Avenue, and they are looking forward to meeting all of you as you are to meeting them.

On behalf of the Aberaman and District Motorcycle Club, I would like to thank the local residents for putting up with us for another 2 days this year, the fire police and hospital services, and RCTCBC for their continued and much valued help. Most of all, thank you to you for your continued support of one of the most iconic road race meetings in Europe.

WE ARE ON THE UP!!!!

Derek J Smith

Proud to be your Chairman

The 2015 Isle Of Man TT was another great year for those using our brake lines. An amazing **13** out of **15** podiums including **1st, 2nd and 3rd** in the Senior. After the first four rounds of the 2015 British Super Bikes **96** out of a possible **108** podiums have been won by riders using HEL Performance Brake Lines including **21** out of **24** in the main BSB Championship. At the NW200 our lines won **6** races out of **6** and took **15** out of **18** podiums. The lines we supply on track are exactly the same lines as we supply to everyone who chooses HEL Performance. The same lines Tito Rabat won the 2014 Moto 2 Championship with. The same lines Sylvain Guintoli won the 2014 World Super Bike Championship with.
