AT

## Brandon Speedway,

On AUGUST 8th, at 3.30 p.m.

**BUMPER MEETING.**

Bring your Pals and Gals.

Dear Supporters,

We welcome you all here today and trust you will enjoy a great feast of sporting motoring.

The Club keeps on trying to improve the racing and arrangements in general, so that if there is anything that you consider would help to improve the running of our events, do please let us know.

In this respect you will notice the increased admission charges for today. The Club have increased the riders prize money thereby attracting the "stars" from all over the country. Further expenses have been incurred in general club business for the improvement of the sport, so we think that you will agree that the extra charge will be amply repaid.

The Ace Club wish to thank Brandon Speedways for their support today; they have kindly cancelled their own meeting today in an attempt to make the Marton meet a bumper one. **REAL CLUB SPIRIT!**

**Ace Club Fee 5/-**

**Track Record : R. WISE, 4 mins. 48 secs.**

### AGGREGATE POINTS :

**Wilnot Evans 40.**

**R. Wise 38.**

Hon. Sec. : A. E. SHERWOOD,
