DON'T BE A LITTER BUG

Take your litter HOME and keep our field clean,
 Save us a lot of work and join us as a team.

THANK YOU

We thank you for supporting us and hope you will have an enjoyable day's sport. Also we have to thank Mr. Black for his kindness in letting us do what we like to make it a well known course at a later date; he has been the only one who has come forward, so please don't wander about anywhere in the prohibited areas, as it may be the undoing of this course. When you leave please drive with extra care and cut down the noise as much as possible: safe journey home and please come again. Future date here we hope will be September 27th. Also if you want to join the Club see the Secretary or any members for a form. Friday night, London Apprentice, Newbury.

COMPETITORS—SPECIAL NOTICE

You must not start your engines before 12 noon: and then for only practice laps. The penalty for failing to do this—expulsion from meeting.

First batch for practice, 1 to 40; 2nd batch, 41 to 80; 3rd batch, 81 to 120; 4th batch, the rest of solo's; sidecars, 10 at a time. Please keep to this and everyone will have a practice without any accidents.
