...and it's Fourstroke

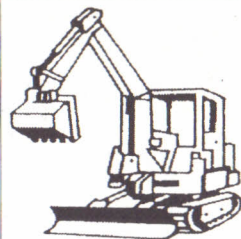

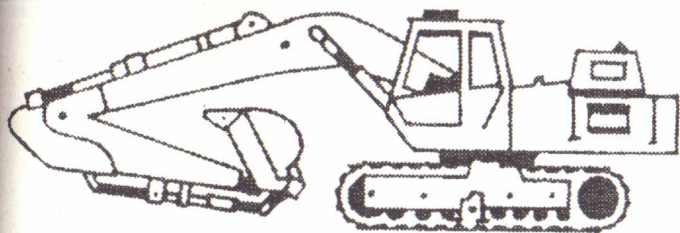

Welcome to the 1998 MR Thumpercross Series, which we hope will be even more enjoyable than last years' events. Following the initial sponsorship of the new Series last year, Martins Rubber Co Ltd are delighted to be assisting the Co-ordinators to continue to develop further this year. From its origins in the 19th century Shipping business, Martin's Rubber has always had a wide range of services, and today manufactures a diverse range of custom Mouldings, Bondings, Rollers, Gaskets and Fabrications, has full CNC Machining facilities for producing Tooling, Engineering Plastics products, and Hydraulic/Pneumatic Seals. Customers include the Defence, Nuclear and Aerospace Industries, and the unique "One Stop" product range and fast response has proved of great benefit to the Autosport industry in recent times.

The Company's "MR Seal Kits" brand is a new product to meet the need for a standard aftermarket kit to replace the existing Seals on Construction Industry Plant; thousands of individual Kits are databased, then picked on request from vast stocks of original parts from the worlds' leading manufacturers, and combined to match the application in any one of hundreds of different types of machine.

The Series Co-ordinators once more are Stewart Penny and Martin Witt, who last year picked up the challenge of pulling together the Clubs and Riders necessary to run a new Series, bringing the enthusiasm and commitment which made 1997 such a success both on and off the track. As hoped, the foundations laid last year have enabled the Series to be bigger and better this season, involving Clubs and Riders from all over the country, and bringing 4 Stroke Motocross a much higher profile. This year there will be separate races for Experts and Juniors, which should provide great action for Spectators, and all races will be recorded for Video Diaries of each Meeting, so no incident will be missed.

Once again, the aim of the Series is to encourage competitive racing, coupled with the traditional friendliness and social aspects of 4Stroke Motocross, thus continuing to enhance what has become the premier National Clubmans Series, providing a long term future for all 4 Stroke Motocross fans to enjoy.

Visit the Martin's Rubber Web site for the latest series positions

SUZUKI

RON HUMPHREYS MOTOCROSS is your one stop Off-Road Centre. As leading Honda, Kawasaki and Suzuki main agents we can offer you the deal you want on the machine you want - and that includes part exchange or finance (subject to status) if you want. If you're not looking for new then we can carry a comprehensive stock of top quality race ready used machines to suit all pockets.

In addition to this our clothing, parts and accessories supply from our extensive computerised stocks is a byword in the off-road world. We have over 6,000 satisfied customers on our mail order database - so why not join them and see why they're so happy with our service.

As we deal only in Off-Road motorcycles we have the specialist knowledge essential to help you get what you want when you want and we can offer you prompt turn around on engine and gearbox rebuilds and suspension servicing to fulfil all your workshop requirements.

If you're just starting out off-road then save yourself a lot of wasted time by phoning us first

This competition is held under the National Sporting Code of the A.C.U., standing Moto Cross Regulations of the S.E. Centre together with any approved Supplementary Regulations.

APPRECIATION

The grateful thanks of the club go to the Red Cross, Dartford, Kent County Council Constabulary, and to members and friends who have acted as Marshals and Officials, and to the Riders who have made this meeting possible.

WARNING MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen.

Please comply with all instructions of marshals and notices and remain in permitted areas only.

THEY ARE CONCERNED WITH YOUR SAFETY.

Permit C 17318 TTC 84/60 CR

ADDITIONAL NOTICES

The organisers, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators are warned of the danger presented by wandering animals and the Club insists on all dogs being leashed. Land suitable for running scrambles is still in very short supply. Having found a good course the Sidcup & District M.C.C. want to keep it. It is with this in mind that we appeal to both spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.

RIDING IN THE PADDOCK

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the Paddock.

All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is necessary. It cannot be stressed too strongly that **liability for a substantial claim could rest with the owners of the vehicle and the driver.** (Or the parent in the case of a minor.)

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

CARAVAN TOILETS

Please do not empty your chemical toilet in the general public's toilets during the meeting.

Timetable

Scrutineering: 8.30 to 9.30 a.m.

Practice: 10.00 to 11.00 a.m.

First Race: 11.00 a.m.

Order of Practice: Junior 1, 2, MR Expert, MR Junior, Expert.

Abandonment or Cancellation

The organisers reserve the right, subject to the approval of the Stewards of the Meeting, to cancel, postpone or abandon the competition if circumstances should arise which, in their opinion, render such action necessary.

Crossing the Course

Under no circumstances should you cross the course whilst racing is in progress. At such points where it is permissible to cross the course, a marshal will indicate when it is safe to do so.

Course Length 1.2 miles

Public Address

Dartford Sound Service

Caterer

Weaver Bros.

Copyright

All literary matters in the official programme, including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under an A.C.U. permit that no part of the meeting can be filmed or video recorded and/or video recorded and/or video transmitted in any way without the written consent of the promoters/organisers and/or A.C.U. except for the sole purpose of private enjoyment.

Order of Events

Race 1 Junior Heat 1 15 mins. + 1 lap
2 Junior Heat 2 15 mins. + 1 lap

Top 23 riders from each heat to A group, next 23 to B group. Riders in Junior A only will be eligible for championship points.

3 MR Thumpercross
Expert Leg 1 20 mins. + 1 lap

4 MR Thumpercross
