Welcome to Canada Heights and our first open meeting of the season. Entries have been very brisk and we have a full house of 180 Juniors and 45 Experts.

Can we remind you that whilst we lap score by transponders we also need to see clear numbers as the timing team have to make sure everyone's transponder is in the system and they will need to lap score your numbers to make sure everyone is recording. MX2 is a class for 120cc to 150 cc twostrokes or 175cc to 250cc fourstrokes and they have white numbers on a black background whilst MX1 is a class for over 175cc to 250cc twostrokes or 251cc to 450cc fourstrokes and they have black numbers on a white background. If your numbers are not clear you will be refused at your technical inspection.

Talking of numbers do you know about the SEMX permanent number scheme. For just an annual fee of £5 you can have a number reserved for you for the whole year and then if you want to have special decals made for your bike or a shirt printed you can be guaranteed the same number. This can be purchased via the ACU Online entering scheme or e mail Les Batten at lesbattenfamily@ntlworld.com

Our next big event here at Canada Heights will be round 4 of the ACU Maxxis British MX Championships on May 18th and we will be hoping for better weather after having to cancel the event last year because of snow. Admission fees are as follows £20 per adult, a family ticket £45, concessions £15 and children £5. Overnight camping is allowed for which there will be no extra charge. We will have a beer tent on the Saturday night so why don't you come and make a weekend of it.

We wish everyone a safe and enjoyable days racing and look forward to seeing you on May 18th or at our next meeting on June 1st. (entries are now up on the ACU Online system)

### Exhaust Sound Level

The Clerk of the Course may exclude any machine which exceeds the maximum permitted sound level, or which in his opinion is deemed to be excessively noisy. Sound checks will be conducted by an official throughout the meeting.

### Unauthorised Riding

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

### Course Length 1.8 Km

### MOTORSPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please comply with all instructions of marshals and notices and remain in permitted areas only.

### THEY ARE CONCERNED WITH YOUR SAFETY

## ADDITIONAL NOTICES

Motorcycle Sport can be dangerous  
and children should be supervised by  
a responsible adult at all times.

The Organisers, the A.C.U. and the  
Landowners, do not hold themselves  
responsible for loss or damage  
howsoever caused to vehicles or goods  
left in the Car Parks.

Spectators who bring dogs should keep  
them on a lead at all times, wandering  
animals can be dangerous. Suitable  
land for events is in short supply. The  
Club reminds all spectators and  
competitors to have consideration for  
the local population by driving carefully  
and quietly in the narrow roads leading  
to the course. Please do not leave  
paper or litter behind, it all has to be  
cleared up by tired voluntary helpers  
after the meeting.

### Crossing the Course

Under no circumstances should  
spectators cross the course whilst  
racing is in progress. At such points  
where it is permissible to cross the  
course, a marshal will indicate when it is  
safe to do so.

### Abandonment or Cancellation

The organisers reserve the right, subject  
to the approval of the Stewards of the  
Meeting, to cancel, postpone or  
abandon the competition if  
circumstances should arise which, in  
their opinion, render such action  
necessary.
