Thanks to Eastwood Racing

Welcome to Canada Heights for the start of the SEMX 2019 season

Today we will be running 3 Allcomer groups to be determined by transponder timing, look out for the timed training board after a couple of laps into the practice, riders to look out for are Jack Brunell Number 15, Neville Bradshaw number 272 and the sponsor of this event Mark Eastwood of Eastwood Racing number 3.

The Vets+35 group remains popular and feature a range of riding skills but all can still boast they race at one of the premier Motocross tracks in the country, Don't forget after the meeting riders and spectators can reflect on times, positions and overall positions using the MyLaps website or the new MYLAPS Speedhive app on your iPhone or Android device.

On a sour note: Motocross is blighted at the moment by low life who travel to meetings countrywide with one thing in mind to steal bikes, generators and anything they can get away with, despite our CCTV footage being shown to Police we are pretty much on our own, lock everything and watch out for your neighbours belongings as well as your own.

Special thanks to Eastwood Wiseco Honda racing who for the fourth year running have boosted the prize money to £1000.00 per SEMX meeting.

Our thanks as always to Edna of the St Johns medics and her dedicated crew, Sidcup MCC would like to Welcome BM Ambulance Service Ltd who will be joining the St Johns team who could not provide the full team today due to other commitments'

Thanks also to Marshals, and all the volunteers who make these race days possible.

Don't forget our big event of the year the Maxxis British Championship here at Canada Heights on May 5th it's recognised as one of the most competitive domestic Moto Cross championships in the world.

Finally please take all your rubbish back to the bins or home with you as whatever litter is left has to be picked up by a volunteer who would much rather go home early after a good days Motocross racing.

Thanks for racing with Sidcup MCC and we hope you have a safe and enjoyable day at Canada Heights.

The Sidcup MCC Committee.

NEW ACU RULE FOR YOUR PROTECTION

There is a new ACU rule this year for Motocross events. It is now compulsory that riders/passengers wear as a minimum, back and chest protectors incorporated within the suit or worn separately. It is also advised that all competitors should wear a body belt/kidney protector. Checks will be made at technical control and the holding area at the start.

Don't Forget!

Every rider is required to have a 2kg dry powder fire extinguisher. These should be presented at the time of Technical Inspection

Timed Qualification

Part of each Allcomer group's Practice session will be timed to decide the qualifiers for Groups A, B and C.

The fastest 33% from Q1, Q2 and Q3 will form the A Group. The next 33% will form the B Group. The remainder will form the C Group.

Unauthorised Riding

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

Course Length 1.8 Km

Points System

The following scoring system will be used for all races today. 25: 22: 20: 18: 16: 15: 14: 13: 12: 11: 10: 9: 8: 7: 6: 5: 4: 3: 2: 1.

COPYRIGHT

All literary matters in the official programme including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under the ACU Permit that no part of the meeting can be filmed or video recorded and/or video transmitted in any way without the written consent of the promoters and/or organisers and/or the ACU except for the sole purpose of private enjoyment.

Environment Notice

The event today is organised under the guidelines of the ACU. Both riders and spectators are requested to comply with all instructions of the organisers in respect of environmental matters

FLAG SIGNALS

Red	Danger all riders to stop
Black with riders number	That rider to stop immediately
Yellow (static)	Danger take care, drive slowly
