## Reports on Last Weekend

Most Clubs who organised Motocross events last weekend reported good crowd attendance and plenty of riders.

The Essex Club, who ran a two-day at Chippenham, were pleased with the support, especially from the East group of Clubs.

### Pilots

At the Ollerton event, the Pilots were in attendance and put on a good spectacle despite the track being on the rough side. This was the 1st round of the AMCA Pilots series and they impressed the crowd.

### Gloucester International

Behind the scenes at the Gloucester Clubs International, Allen Craig presented each of the foreign riders with a Gloucester mug. Allen was a special guest of the Club. Several of the foreigners rode at Brookthorpe on the following day at the Cheltenham event.

Tim Wheeler, who won the 3 International races riding as a member of the 'B' Team had been invited to ride in the full AMCA team, but declined due to the time off work needed to compete in the rest of the series abroad. A decision had to be made before Sundays 1st round.

### Injured Riders

Several riders have caused problems when attending events on their own and having to go to hospital, leaving vehicles and bikes at the track. On Monday, Jack Twentyman was taken to Bassetlaw with a suspected broken leg and his car and trailer were looked after by Club Officials who locked the bike away in Martin Hemsalls fathers garage nearby. At the Brownhills MotoDuro the week before, a rider was taken to hospital leaving a car and trailer. Attempts to find the car key to move it were hampered as no one was with him, eventually the key was found and the car and trailer taken to the AMCA Office and locked away. At the Faringdon event, another rider on his own, travelled from the Midlands and was injured and the same problem occurred, trying to move his car to a safe place etc.

### Fixture Changes

The Faringdon Club have cancelled their meeting on the 5th May at Bletchington and the Bridgwater club have moved their event from May 19th to May 12th. Any clubs who may be able to take over this date please contact the AMCA Office as soon as possible.

## Roy Wells Pulls Out Of 250 Championship

With the 1st round of the AMCA Solo Championships due on April 21st at Warsop, one of the favourites, Roy Wells (North Avon Club) has had to pull out due to injury. He was certainly a candidate to lift the title judging by his form at the end of last season.

## Illegal Practice

Polesworth Club near Tamworth are in danger of losing their track due to illegal practising. The Club are allowed limited use and each time bikes are heard it is counted as one of the days use.

Other Midlands tracks suffering the same problem are the Walsall Club at their Aldridge circuit and the Cannock Club at it's circuit near Heath Hayes.

Any rider found practising at any circuit will be banned, not only by the AMCA, but the other organisations ACU, BSMA and YSMA, who have a reciprocal arrangement.

## IMBA 125's 2nd Round in Germany

This was not the Grevenbroich of previous years, this is a new venue. This is the deep, bottomless sand of Holland, after all the border is only 22 kilometres away. It was not a happy AMCA team after Sunday evenings practice. We didn't think about being in the first ten. Sand techniques were discussed, easy to say, hard to do, but at least try. Come the first race, Anthony Kahl held 4th for 2 laps and 6th for 4 laps, finishing 8th. Darren Lindop started well in 7th but lost the plot to finish 13th. James Cumber was down in 13th and finished 10th, with Paul Cumber and Paul Willis in 15th and 16th. Willis was heard to say he always thought Chippenham was a sand track. No Way !! Race 2 and Kahl held 5th off the gate with James Cumber in 8th. They looked like they were beginning the enjoy it. James Cumber finished 6th and Kahl 11th after a Whoopsee. The home team Germans were having a lousy time and sand specialists, the Danes, are also not enjoying the proceedings. In the last race, it was James Cumbers turn to shine with a 5th place finish to make his day, Paul Cumber had his best place with a 10th whilst Kahl, after messing things up, was in 13th, spoiling his day. Lindop was tiring badly and was in 18th and Willis was just out of the points in 21st. All was better than we could have hoped for.
