MORTIMER & DISTRICT
JULY 10th
BEENHAM PARK

SOUTH READING
JULY 24th
CHURCH WOODS
BEENHAM

TALE OF WOE.

In the programme at our May 8th meeting we gave a lengthy discourse on the temporary change of car parking arrangements, this meeting is of course the last one under the present set-up and on July 10th we will again be using the big park in the bottom field.

A feature of these changes was that everyone had to congregate, many for the first time, at the top of the hill, we were gratified to hear the surprise in peoples voices when they remarked "What a lot of the course we can see" unfortunately this 'movement of the population' resulted in a few, we repeat only a few, misguided individuals wandering through the surrounding woods and into the private grounds of the neighbouring houses. One group who were picking flowers in a walled garden "thought they were growing wild".

It's so stupid it's almost funny, unfortunately such actions have violent repercussions and our Clubs receive all the blame, **we earnestly appeal to all members of the public to respect the fact that the woods and property surrounding the course are PRIVATE.**

OUR CRITICS.

A gentleman from Bristol attended our May 8th meeting, it was his first visit to Beenham Park and he was impressed, so much so that he wrote to the Secretary of the Meeting complimenting the organisers on certain aspects of the event. It gives us great satisfaction that our modest efforts are appreciated, particularly when our critics happen to be newcomers to our venue and have past experience of other meetings to use as a yardstick.

On the other hand we are always most pleased to hear from our regular supporters, be their comments favourable or otherwise, if they are constructive we will always try to do something.

PUBLIC OPINION POLL—MORTIMER STYLE

You see we did take heed of your votes and to meet the opinion of the majority we have moved the start from 1 p.m. to 1.30 p.m. I wonder how many people remembered the Poll and thereby knew the reason for the change of time.

NOTE TO THE RIDERS.

This meeting sees the introduction of 'big lumps' of virgin turf on the track where the course changes have taken place, we have cleared or marked the worst hidden bumps but do take it easy on your first practice laps so as to sort out the worst patches.

LITTER.

Another new scheme is the introduction of Bins. Please use them, there are plenty distributed around the circuit. The most important item to dispose of is 'GLASS'. We don't have to mention the cattle aspect.
