JACKPOT SCRAMBLE

ORGANISED BY THE MORTIMER & D.M.C.

PLAYER'S N°6

**BRITISH
MOTOCROSS
CHAMPIONSHIPS**

1969

in association with the A.C.U.

OFFICIAL PROGRAMME

Foreword by **G.C. Kent**
Marketing and Sales Director
John Player & Sons,
Member of Imperial Tobacco Group Limited

After the successful sponsorship by Player's No.6 of the British Motocross Championships in 1968 I am only too delighted that Player's No.6 are again sponsoring these Championships in 1969.

I am sure that both competitors and spectators will all agree that the 10 rounds that comprise the Championships are the best organised events of the year; held on demanding courses that necessitate the riders' full concentration and ability. By associating ourselves with one of the most thrilling spectacles in motor-cycle sport we are indeed maintaining our policy of 'being where the action is', a policy that Player's No.6 follows throughout the sporting spectrum.

The tremendous challenge offered

by the Motocross Championships is also of great importance to manufacturers so that they can discover first hand how machines stand up to the battering they receive. Practical research of this kind enables them to improve production models and to higher standards of performance, safety and road worthiness.

A word of caution. I would ask those spectators attending this event to remember that public road conditions are rather different from course conditions and to drive with care and consideration for others when returning home — and indeed, at all times.

If you wish to demonstrate your skill — the answer is to join a club affiliated to the A.C.U. and compete in events such as you are seeing today.

MOTOCROSS

MOTOCROSS

The "Players No. 6" British Motocross Championships comprise two classes — up to 250 c.c. and up to 500 c.c. Riders scoring points in each of the classes at five different events throughout the season. The champion in each class will be awarded not only prize money but a superb "Players No. 6" Trophy which he will win outright. This series of ten events, taking place on some of the toughest and most demanding courses in the country, will attract the cream of British Motocross competitors.

These Championships have been held for many years under different titles; a background synopsis of the history of the Championships along with a list of previous winners appears on the Inside Back Cover of this programme.

Classes: The "Players No. 6" British Motocross Championships will be contested by riders in two classes:

Class 1. Solo machines up to 250 c.c.
Class 2. Solo machines from 320 c.c. to 500 c.c.

Points: Every rider in the Qualifying Rounds will score points as follows:

1st 8	2nd 6	3rd 4
4th 3	5th 2	6th 1

Duration of races: A signal will be exhibited when the race leader crosses the finishing line having completed thirty minutes, he and other riders are then given the 'plus two laps' signal board.

PRIZES AND TROPHIES PRESENTED BY PLAYER'S NO. 6

Prizes, in each Class for each race:

1st place.....£30	6th place.....£5
2nd place.....£20	7th place.....£4
3rd place.....£15	8th place.....£3
4th place.....£10	9th place.....£2
5th place.....£7	10th place.....£1

In addition to the prize money the overall winner of each meeting, on a points basis, will receive a Players No. 6 Trophy. The overall Champion in each class at the end of the series will receive £50 and the Players No. 6 British Motocross Championship Trophy. This cup will be won outright.

TODAY'S EVENT

It is with much pleasure that the Mortimer and District Motor Cycle Club welcomes you to Beenham Park for this the 1969 National Jackpot Scramble.

Today's event includes the 4th Round of the Players No. 6 British 500 c.c. Moto Cross Championships for 1969 and has the finest entry that it is possible to assemble in England today.

John Banks on the 500 c.c. B.S.A. is well in the lead with 48 points to runner-up Vic Allan with 22 points and third man Chris Horsfield with 12½ points.

This might seem an unbeatable lead, but if the B.S.A. star failed to gain any points today, or at the Final Round next week, he could still lose as points are gained as follows:

1st, 8 pts; 2nd, 6 pts; 3rd, 4 pts; 4th, 3 pts; 5th, 2 pts; 6th, 1 pt in each race.

So we have the finest entry possible, the racing will be fast with no quarter given. Please stay well behind the safety fences and at all times obey the marshals. This way we can all enjoy what promises to be one of the greatest meetings of the year.

These Championships were instituted in 1951 for the up to 500 c.c. class and 1960 for the 250 c.c. class. Many famous names in the world of scrambling have featured in the awards list; most notable being Jeff Smith who has won the 500 c.c. class on no fewer than nine occasions. Of these six were in the consecutive years 1960–65.

In previous years the Championships have gone under the title of the "A.C.U. Scrambles Drivers Stars" and more recently "British Scramble Drivers Championships". In 1968 the title was up-dated to include the internationally accepted description of the Sport 'Motocross'.

1969 is the second year that the Championships have been sponsored by Player's No.6.
