

YOUR SEASON AT BEENHAM

WELCOME to the first event of our 1956 Season, weil not really our first event as we actually started last month when we staged the B.B.C. Television Scramble. Although the venue was not advertised a fair number of our supporters turned up to witness the proceedings and we take this opportunity of thanking them for their wonderful co-operation in respecting the request by the Club that they should not stand between the cameras and the riders. Although this meant that you did not appear on the screens of your neighbours' T.V. Sets we can assure you that your splendid behaviour was much appreciated.

The admission to the T.V. event was free. The admission to to-day's event is also free. The admission to all our future events, whenever they are held on a Sunday, will be free. We will of course charge for the parking of vehicles; may we suggest that by bringing a full car and sharing the cost with the occupants you will witness a fine day's sport for a very modest outlay. If your passengers don't volunteer to share the car parking cost then show them this programme as a reminder. As a point of interest elsewhere in this programme you will see some statistics on the 'costs' side of motor cycling based on one of our events last year. That was for a meeting when we were allowed to make a charge for admission.

We are holding two more events this year, they are:

* 13th MAY- 'THE BARGEPOLE SCRAMBLE'

★ 14th OCTOBER—BEENHAM PARK CHAMPIONSHIPS ★

Keep the dates free, they will be first class events Next week 15th April The South Reading are holding 'The Primrose Scramble' at CHURCH WOODS, BEENHAM. The gate arrangements will be the same as ours to-day.

THE SOUTHERN CENTRE

ALL organised sport in Gt. Britain is democratically controlled with a clearly defined line of responsibility from top to bottom. Motor Cycling is no exception.

To facilitate administration on a national scale the country is divided into 20 geographical and administrative regions which are called "Centres" e.g. the counties of Kent, Surrey and Sussex comprise "The South Eastern Centre". The "Southern Centre" controls our Sport in the counties of Berkshire, Hampshire, Dorset and the Southern half of Wiltshire.

The "line of responsibility" is as follows:— All the Clubs resident in a centre send delegates to "Centre Meetings", these delegates as a group become the "Centre Board", they appoint their Centre Officials and at monthly "Board Meetings" control the workings of the Centre. Each Centre further appoints its own delegates who go off to meetings at H.Q. in London and become "The General Council of the A.C.U." This is the controlling body of the whole of Motor Cycling in this Country. It meets four times each year.

The Mortimer Club sends delegates to the Southern Centre Board and as a point of interest one of our Club delegates is also re-appointed by the Centre as a delegate to the "General Council". The motto is:— If you have some worthwhile opinions and ideas about the sport—join a Club and get them represented at the highest level.

The Southern Centre is made up of 57 Clubs who between them promote every type of Motor Cycling event, social and sporting. Each year the Centre itself promotes "The Scramble Championship", "The Grass Track Championship", "The Inter-Club Team Trial" and the "St. Pauls Trophy" event which is run in Aid of the A.C.U. Benevolent Fund. It also sends teams to compete in the National Grass Track Championships, Inter-Centre Team Trial and National Scramble Championships. The Southern Centre are the reigning Scramble Champions.

Each month the Centre produces a 32 page journal which goes out to all Club members, "The Southern Gazette" is the name and it carries details of all the happenings within the Centre. What the Clubs are doing, events to be promoted, results of past events. 'Small Ads.', the progress of riders, selection of representative teams and their subsequent performance, the tables of the individual "Star" competitions for Scramble and Trial riders, in fact a whole host of items for anyone interested in motor cycling. If you would like a copy there is a coupon on page 4 of this programme. A P.O. value 5/- will bring a copy through your letter box each month for a year. It's worth it just to be "In the Know".

WARNING-MOTOR RACING IS DANGEROUS

You are present at this meeting entirely at your own risk and admission is subject to the conditions that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the track and the drivers and owners of the vehicles and passengers in the vehicles, are absolved from all liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property howsoever caused.

Speciators are requested to keep off the course. Also the public are requested not to damage the property, cause fires or leave litter.

IT MAKES YOU THINK

A Tour 1955 Beenham Park Championship there were 78 Solo Riders who in the course of the meeting raced a total of 2,738 miles. The 12 Sidecar outfits travelled 140 miles, making a grand total of 2,878 miles of racing and incident. The charge for admission was 1/- per person, in other words you were able to watch the riders cover 239.833 miles for a 1d. The meeting lasted four hours so you paid 3d. per hour and in that time saw 719.5 miles of racing. Ours must be the cheapest of all the sports for the spectators.

When you get home tonight take a pencil and reckon that Alcohol fuel costs 10/- per gallon and under racing conditions the boys are getting probably 25 m.p.g. or best grade petrol at 35 m.p.g.

The average value of each machine must be at least £150. There were 90 in use.

As a Club we have always aimed at providing decent amenities, you will agree that our toilet arrangements are as good as most places: d'you know they cost us £100. We know they are only wood and tin—they still cost £100.

In erecting this course we have used 10,500 yards of rope.

To prevent 'hold-ups' in the T.V. Scramble we removed 30 inches depth of water and liquid mud from the mud hole.

All the work of erecting this rope, removing this mud, making these toilets, controlling these miles and miles of racing is all done by Club members who don't receive a penny.

As we said "It makes you think".
