

Have wings, will fly.

Frederic Bolley. 1999 250cc Motocross World Champion.

It takes a lot to catch Frederic. No one did it last year. Probably the best place to start trying is at either of our Honda Motocross Schools. Call The Dave Thorpe School on 01344 620533, The CAS/Elf School on 01933 396310 or HUKRC on 0800 731 8180 and get ready to fly.

damn obvious

You're one of the world's best-ever dirt riders. So do you sign for the manufacturer that offers you the biggest pile of cash? Or do you go for the bike with the winning engine and chassis? It's damn obvious! Just ask the 1999 US Supercross Champion.

AMCA NEWS

JUNE 6TH 2000

HAWSTONE 2000

Last Sunday's 125 IMBA International proved successful despite a few problems, mainly the weather, which on Saturday was bad with the famous hill impossible to walk up and the descent practically impossible. So the decision was taken to cut the hill out. After the rain on Saturday night the weather dried and even the sun came out during Sunday.

BELGIUMS BAN

Last Thursday (June 1st) the Belgium rider Danny De Baets who held second place in the Championship was banned following incidents at a motocross meeting which involved the Championship leader Jimmy Verburgh. He was told he could not ride again this year by the Belgium Federation BLM. He arrived at Hawkstone and did not attempt to ride but caused panic in the Belgium camp as they wondered why he had come.

Despite several worries the racing passed off without any further incidents.

DAVIES CHOKED

After a good first race local favourite Gary Davies tried to improve the performance of the bike for the second race with disastrous results which saw him slower and just managed to finish 9th which made it impossible for him to gain an overall win. With everything back in place on the bike he showed his true form in the 3rd leg to take second spot and 3rd overall behind the two Belgium's Glen Dempsey and Jimmy Verburgh.

WHY HAWSTONE?

Several comments were expressed about the choice of the Hawkstone circuit for the 125's British IMBA round due to the sandy nature of the course being popular with the Belgium's and Dutch riders. Gary Davies, who is in the leading AMCA rider in the Championship lives locally and has ridden the circuit many times, so hopefully more people would come to watch him. North Shropshire club did not apply and only ran it with help from outside the club. No other club except Bridgnorth applied for an International and they ran the sidecars in April.

250/750's

Both the 250's and 750's rode Hawkstone for the 3rd round of the AMCA Championship with James Cumber winning two of the races and a 2nd place behind Richard Du'Feu gave him the overall result with Yorkshires Danny Blakeley taking 3rd with three, 3rd places. Richard Du'Feu leads with 171, 2nd James Cumber 146 and 3rd Chris Jones from Gloucester.

Gary Parker from Preston won the 750's at Hawkstone without winning a race. Simon Gower won 2 but chain problems stopped him in the opening race, but he still took second overall with Christian Payne 3rd. Parker leads on 142 from Barry Holley on 134 and Simon Gower 132.

SIDECARS

The 'Open' Championship round due to be run on July 23rd at Shobdon cannot be a Championship as several riders will not be available.

FRANKS CHARITY TRIAL AND BARBECUE

The annual classic trial at Macklestone near Market Drayton is on Sunday June 11th. Anyone interested should contact the AMCA Office.

TRIALS RIDING SCHOOL

Do you ride pre-65 or Twinshock trials and feel you need help and advice with riding techniques?

Mick Andrews, 5 times S.S.D.T. winner, will look after you, either a half day or full day at a venue near Matlock, Derbyshire. Unfortunately, only days during the mid-week are available at present, at about the end of summer.

Minimum numbers of rider are 5, with maximum of 10. Contact Trevor Henderson 01952-595302

BRIDGNORTH VIDEO APPEAL

The AMCA Office would like to hear from people who have a video of the racing, which took place at the Aston Eyre track by the Bridgnorth club on April 30th.

A vertical advertisement for Thor motorcycle gear. On the left, a motorcycle rider is shown in action. The central part of the ad features a collection of Thor gear: a long-sleeved jersey, a pair of pants, a chest protector, a knee slider, and a pair of gloves. At the bottom, there are three more jerseys in different color schemes. The Thor logo is prominent throughout.
