WELCOME TO BERRYNARBOR CLASSIC SCRAMBLE

We are back at this amazing, challenging track for 2023. Not only do we have a great track laid out by North Devon Atlantic member Matt Wells, we also have this amazing backdrop of Combe Martin and the North Devon Coast line.

We have a strong Field of riders this year with the added bonus of holding the BRITISH CLASSIC CHAMPIONSHIP ROUND 2, with some amazing machines and riders for us all to watch.

North Devon Atlantic Scramble Club send out a massive THANK YOU for joining us this weekend and we hope you enjoy whats on offer.

Great thanks go out to all our Club Members, Officials, Marshalls, Commentator, First Aiders, Caterers, Helpers and support staff for putting on this great event. Without all of you this event would not be possible,

Please can we ask that all dogs be kept on leads
Respect the farmers land and take all rubbish home with you.

ACKNOWLEDGMENTS

Unfortunately since our last classic scramble here at Sloley Park in August last year, we lost two key members of our club: Our Secretary, **Andy Sollars**, Andy rode in his first scramble in 2003 and immediately fell in love with his new found sport. He soon got involved in the workings of the club and was a very enthusiastic worker, preparing the track for race days. Andy took over the role of club secretary in 2012, and steered the club successfully for the next ten years, even creating a new club event "Roar on the Moor" at our other track in North Molton.

Andy passed away suddenly in September last year, and is greatly missed.

Our race commentator, **Colin Dommett** was one of the original members of our club, and commentating was a new role for him. Colin had a glittering career as an off - road motorcyclist. He won the British Sidecar Trails Championship four times, the European Sidecar Trials Championship three times and was also selected for the British Team to compete in the ISDT (the equivalent to the Olympics in the motorcycle world four times!!!

When asked to do our commentating he said "It would make a change to talk about the action instead of being a part of it" Needless to say he made a great job of the task.

Colin was our commentator for Sixteen years, he sadly passed away in February this year.

Both of these two great characters left large boots to fill. R.I.P Andy and Colin.

NDACMCC extends our condolences to their families.

TRIBUTE TO THE FIRST BRITISH SCRAMBLE CHAMPION

As today's race meeting includes the penultimate round of the 2023 British Classic Scramble Championship, it seems appropriate that we pay tribute to the very first British Scramble Champion, way back in 1951, and a very good friend of this club. **GEOFF WARD.**

Geoff was born in 1929 in Maidenhead, but unfortunately by the age of 10 he had lost both of his parents. Better luck came his way, when the parents of his best schoolfriend, Robert Neville agreed to take him in and bring him up in their home in slough.

At the end of WW2, Robert persuaded his father to loan the two young lads enough money to buy 20 ex-WD motorcycles, after re-painting the bikes black, they were sold at a handsome profit. this planted the seed of business in Geoff's head.

By 1950 Geoff was working for the well known motorcycle dealership of Harold Taylor, also Geoff had developed into a big strong lad, and Harold had noticed that Geoff was a very quick motorcyclist, so he brought to the attention of the AJS concern, who promptly signed him up as a works rider.

Geoff certainly showed his appreciation of their confidence in him, by winning most of the races, both solo and sidecars, that he entered. This was capped by Geoff winning the first British Scramble Championship, which was first know as the "ACU Scramble Drivers Star" in 1951.

Geoff won the Championship again in 1953 and 1954. When he was asked why he didn't win in 1952 he joked that he lent the title to his friend John Avery for a year, so that John would experience the feeling of being a champion.

Geoff was also a member of the British team of the Motocross de Nations in 1952, 1953, 1954 and 1956, the team winning each year.

He started to cut back his racing in 1957, to concentrate on his business interests, but made a few appearances at special events such as his friends Brian Stonebridge's memorial scramble at Hawkstone park in 1960.

After his racing retirement, Geoff finally moved to North Devon and built up his various businesses to become one of the leading business men in the West Country, but never lost his love and interest in all things connected with Motorcycles. He quietly became a great benefactor to various motorcycle clubs and riders, Geoff was a great friend, supporter, and benefactor to North Devon Atlantic MC Club, of which we are very grateful.

Geoff passed away quietly at his home near Barnstaple at the age of 94 in 2022.
