 the Evening News

*T*ODAY for the very first time at Brands, England's oldest and greatest road race celebrates its 34th Birthday. Since it was first staged at Brooklands in 1925 "The Hutch" has been the proudest event in the annual calendar of British Motor Cycle Racing Club and although the detail of the races, as with the venues, has changed over the years it has deservedly earned the unofficial title of "Event of The Year". It has always been renowned for the opportunity presented to racegoers to see the Champions of the World in action against the cream of the talent from Britain, the Commonwealth and the great motor cycling countries.

Now we see the brilliant plan of racing in the reverse direction at Brands put into action. The wonderful viewing points around the course will allow us all to savour this unique experience to the full. I am confident that this historic day, which the Evening News is proud to sponsor, will live long in the annals of motor cycle racing.

*Let's talk about

**...THE 'ROAD-HUG' RUBBER OF DUNLOP!**

'Road-hug' is the name Dunlop have given to the special rubber that goes into their motor cycle tyres. Developed for racing—and used by all the champions—it is now used in tyres for everyday riding to give maximum grip, long mileage and safety... in fact all round top performance. Fit Dunlop and you will soon be saying...

## TROPHIES AND SPECIAL AWARDS.

**The Mellano Trophy**, to be held for one year with memento for retention, will be awarded to the driver whose average race speed exceeds the existing class lap record for the corresponding class RUN IN A CLOCKWISE DIRECTION of the circuit, or if no driver exceeds the class lap record, then to the driver whose average race speed is closest to the class lap record than those of drivers in other classes. The competition for this trophy is arranged to cover the whole of the meeting, and should any driver be competing in more than one capacity class, solo or sidecar then his best performance only will be considered.

Any driver whose machine is entered for an event with a higher capacity limitation than the normal one associated with his machine and class, may qualify for the award for his original class. Example: A 350 c.c. machine being ridden in a 500 c.c. race will qualify for the 350 c.c. class award as it applies for the awarding of the above trophy.

Sidecar drivers may qualify on the above basis but subject to the International limitations of capacity classes and where a lap record exists for those classes.

The entry form must be signed in the correct place otherwise no rider who has not done so will be considered for the award. **EVENING NEWS**

That is the age of the famous Hutchinson 100 which celebrates the occasion by coming to Brands Hatch with a galaxy of star names from nearly a dozen countries to race in reverse on the Grand Prix course. Run your finger down the columns of names in each race. Some you will have seen here and at other circuits, others you will have read about—six of them World Champions, many more winners of the Isle of Man TT, and four whose names are engraved on the king-size silver Mellano Trophy. The Trophy which first saw the light of day in 1925 at the old Brooklands track.

Even in those days the stars of two and three wheels sought to win this coveted award. Men like Joe Wright, Claud Temple, Eric Fernihough, J. A. Prestwich (Mr. JAP) and Gordon Cobbold. Gordon is here today as an active Director of the Club.

In 1961 the Mellano went 'foreign' won by the great Florian Camathias on a sidecar. Last year Japan's Toshio Fujii astounded everyone by winning on the tiny 50 c.c. Suzuki with a race speed greater than the existing record for a single lap.

'The Hutch' has always meant exciting racing; in the next few pages take a look back into the past at some of the 'greats' who have competed in the series.

The 59 "Hutch"—Alastair King gets a lead over Mike Hailwood in the 350 race.

**Top left :** Chris Vincent lets Eric Oliver try his outfit at last year's 'Hutch', Jenks looks on. **Centre top :** the late Les Graham at Bray Hill in the '52 Senior. **Top right :** John Surtees winning the 350 BMCRC Championship on the MV, Silverstone Saturday 1959. **Bottom left :** a cold 'Hutch'; World Champion Max Deubel shivers before the start. **Bottom centre :** John Storr near Maggotts, Silverstone—note the special forks. **Above :** Florian Camathias first foreign winner of The Mellano on the Gilera 'four' in the 1964 'Hutch'.

Top to bottom : Bob 'Mac' takes a perfect line through Copse Corner. Cecil Sandford pursued by Sammy Miller in The Island. Cyril Smith, like Sandford, twice a winner of The Mellano. Photos by courtesy of Motor Cycle.

# YOU TOO CAN DRIVE AT 70 +

ON ONE OF BRITAIN'S  
LEADING RACE TRACKS

BY JOINING THE  
Brands Hatch Motor Club  
Snetterton Motor Racing Club  
Mallory Park Motor Club

For 2 or 3 guineas a year you  
can experience something  
new in Motor Club enjoyment

## DRIVE ON A RACE TRACK

When you join a circuit car club you will be sent three tickets each entitling you to 20 laps driving your own silenced road car round the Brands Hatch, Snetterton and Mallory Park race tracks. All three circuits are open for this purpose on Tuesday and Thursday evenings each week during the summer, and on certain weekend days throughout the year. Each track is properly supervised and now has permanent catering services. Members are covered automatically by legal liability insurance and low-cost personal accident insurance is available as an optional extra.

## A CIRCUIT CLUBHOUSE

Close to the paddock at Brands Hatch and Snetterton, and to the hairpin at Mallory Park, members have their own modern-style motoring pubs and clubhouse. They are open most evenings, weekdays, weekends, and on all practice and race days. Apart from their attractive bars, set against a background of motor badges and paintings, the clubhouses are also equipped with music and amusements. They are also the scene of film shows, dances and cocktail parties.

## YOUR OWN MAGAZINE

Through the post every month you will receive a copy of *Sportscar* (post-free value 30s. a year). It will come to you not as a mere club journal, but as a lively illustrated review, full of race reports, road-tests and motor sporting personalities—all in pictures. *Sportscar* is edited by John Blunsden and Darryl Reach, part of the team that produces its lively companion journal *Motor Racing*.

You also receive three more tickets, each entitling you to a weekend practice session on the Brands Hatch skid road, built specially for the High Performance Course of the British School of Motoring. In your own car you can spin safely on the special mastic surface through 360 degrees from only 20 m.p.h.

As a circuit car club member you will be able to use, at each circuit, on prior notice, a go-kart, a kart amusement track, and a crash helmet for only 7s. 6d. per 10-lap session instead of the normal charge of 10s. If you have your own kart you will be able to take part in races on the 1.24 mile motor race circuit at Brands.

## CONSIDER THESE BENEFITS

## CHEAPER SPECTATING

You can also purchase, at a guinea less than the public rates, low-cost car race spectator season brochures for yourself, one other male, and up to four ladies and children, at one or all of the three circuits involved. These admit your car to any public park and all brooch holders to the paddock and any normal viewing area. At Brands Hatch a season brooch costs 4 gns. for adult males, and 3 gns. only for ladies and children, compared with individual admission tickets totalling more than £16 in yearly cost. At Mallory Park and Snetterton the brochures cost 3 gns. for males and 2 gns. for ladies and children for over £9 normal value.

## MEMBER OF THREE

Membership of any one circuit car club allows you and up to three guests to use the clubhouses at Mallory Park, Snetterton and Brands Hatch. Similarly, members of any one circuit car club are also automatically members of the other two, and are entitled to exchange skid-road and race-track tickets (when applicable), to use the other facilities at concession rates, and to enjoy full clubhouse privileges.

## AGAIN AT 70 +

As a member of a circuit car club you can again extract the maximum in speed and roadholding from your car. At Brands, Mallory and Snetterton you can enjoy real performance on roadways designed to bring out the best in driving skill and engineering. And you can do so within safety barriers, wide run-offs, and without the risk of oncoming traffic. And afterwards—you can relax in the clubhouse with people with interests just like yours.
