## ***Devoted to the Great Motorcycles***

Classic Bike, already a top seller in Britain and America, is the magazine for all enthusiasts who can't get enough information on their all-time favourite motor cycles. It revives the great marques, road testing tasty collectors' items, talking to the men who built and re-build them, helping to preserve by making friends and contacts. Classic Bike isn't just about great motor cycles — it's the result of them.
