South East Motor Sport Enthusiasts Club

Welcome to Brands Hatch and today's Race Meeting organised by the South East Motor Sport Enthusiasts Club (SEMSEC). There will be ten races for all makes and models of cars from saloons, sports cars, kit cars to single seaters. This event is a round of the various SEMSEC championships and challenge series for 2011.

SEMSEC's philosophy has always been to cater for as many competitors and car types as possible. This philosophy means you will see a very wide variety of cars here today, including everything from old MG's, Minis, Escorts through to the latest Caterham and Radical sports cars and a wide variety of single seaters. Many of these cars will be eligible to enter in at least two of the races and in some cases three.

We also have two guest championships from the MG Car Club. The **Moss-Europe BCV8's** is one of the MGCC's most successful one make championships, while the **Motoring Classics Thoroughbred Sportscars** is their most successful multi marque championship. You can read more about these championships in this programme.

Before the days racing there is a Sprint. Sprinters compete against the clock, each has a practice and two timed runs. The cars are split into 14 classes depending on type, engine capacity and state of modification and range from standard road cars to single seat racing cars with just about everything in between. We have a special class today for the TVR Speed Championship. The sprint is run by the Tunbridge Wells and Rochester Motor Clubs and is a round of the All Circuit Sprint Championship.

We hope you enjoy today's event and will join us at one of our future meetings. Our final event of 2011 is at the Lydden Circuit near Canterbury and is again a joint Sprint and Race meeting on Saturday 22 October.
