WHO WILL BE KING OF BRANDS THIS YEAR

BY RAY KNIGHT

Photographed by Ronald Hunt & John Stoddart

This Good Friday meeting promises to be a feast of speed. The stars will clash in the first round of the Castrol Challenge Trophy, the second round of the Redex Trophy and for the title of 'King of Brands'. The winner of this trophy is decided on the aggregate of events 6, 8 and 10.

Production race

The meeting starts with the return of production racing to a Brands National meeting and Griff Jenkins and Ray Pickrell will pit their 750 cc Nortons against the works BSA's of Tony Smith, Mick Andrews and Paul Smart. On Triumphs there are Colin Dixon, Peter Butler and Dave Nixon.

125cc race

Race two will see the current British Champion in the 125 cc class, Martin Carney, taking on Jim Curry (Honda), Dave Croxford (Sheen Bultaco), Dave Simmonds (Kawasaki) and a rare appearance of Rex Avery on the British EMC.

250cc race

Like all the other races, the entry for the 250 cc race reads like a 'who's who' of the current British short circuit scene: Pickrell, Butcher, Phillips, Mahoney, Croxford, Simmonds, Smart, Carney and all. Certainly the race will be as exciting and keenly contested as all the others today.

350cc race

When the flag drops at the start of the 350 cc race, with the £100 first prize at stake, no quarter will be given—or asked. The 350 class is now undergoing an invasion by the bigger two-strokes. There are fast Kawasaki's in the hands of Dave Simmonds and Derek Chatterton, Dave Croxford's 'overgrown' Bultaco plus Mortimer's Greeves v. the four stroke Aermacchi's, Nortons and Ajays, with of course, all the 'scratchers' aboard.

Senior race

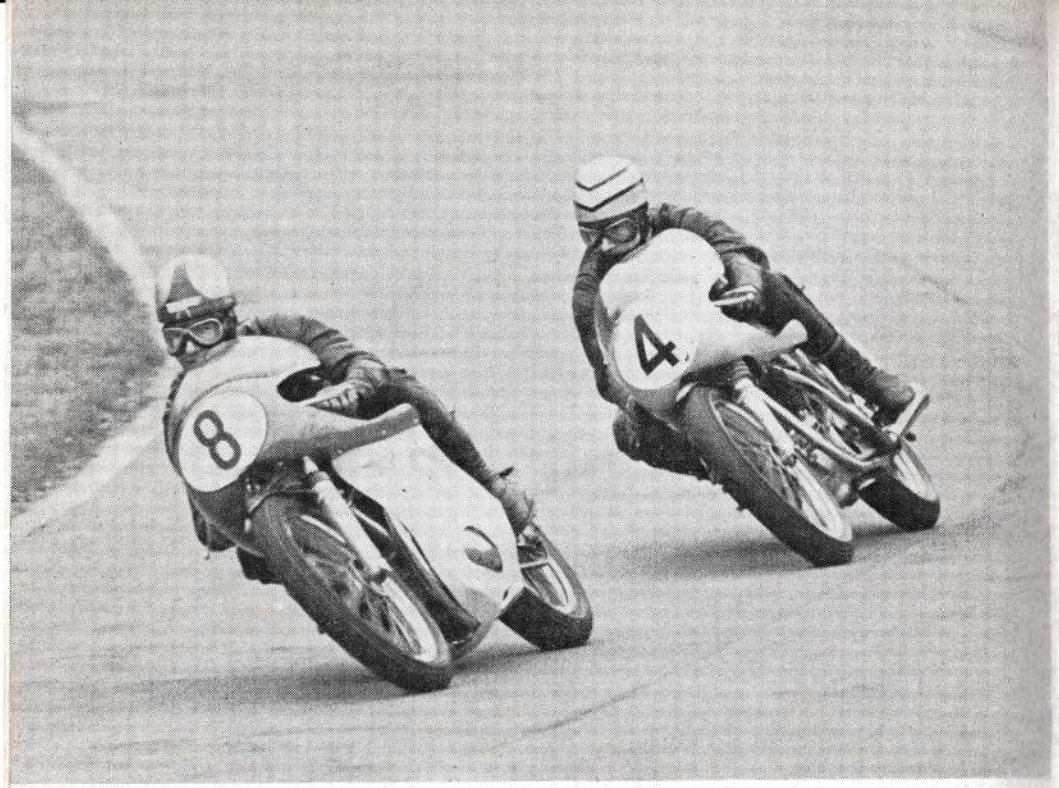
In the 500 cc event the scene is dominated by the 'old fashioned' British 'bangers' but there is scheduled a first time appearance of the Lynton 500 ridden by Errol Cowen (derived from a Hillman Imp) to add interest while Paul Smart and Tony Smith are down to ride fast Beesa twins.

Unlimited race

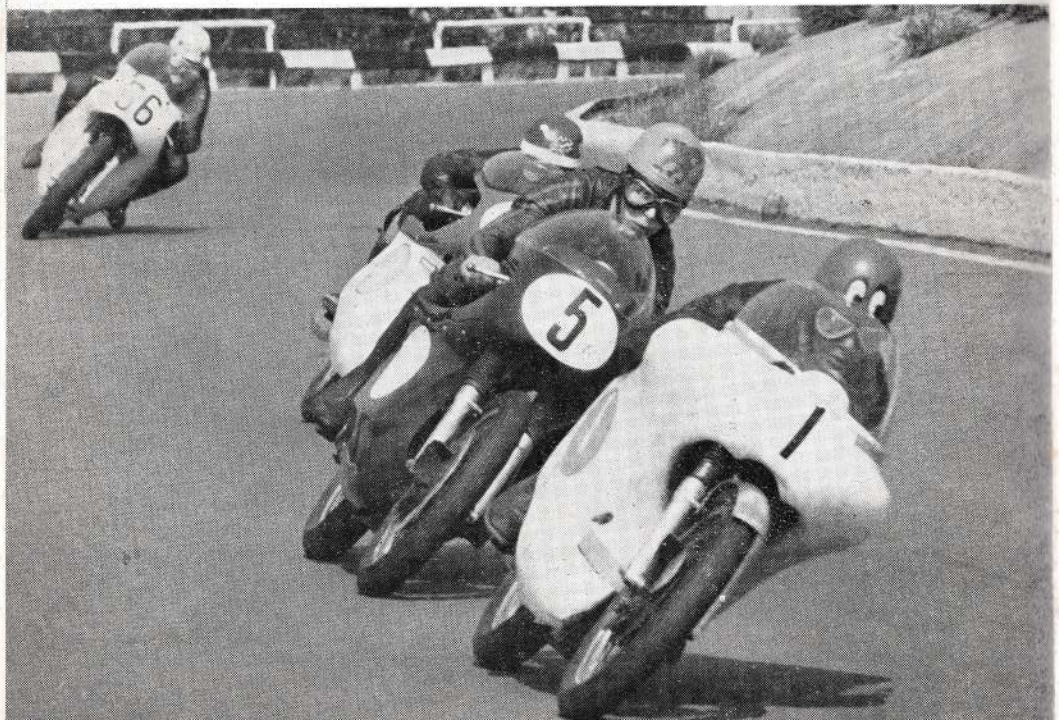
Race ten—up to 1300 cc—will probably be the 'hairiest' of the day with all the real heavyweights battling it out on what is basically 'production' derived machinery. This race reflects the current trend for the bigger classes of racing and certainly the variety of the bikes must be a strong reason for its growing popularity. Alan Barnett will be mounted upon the exceptionally quick Kirby/BSA/Metisse which has already led (for a while) 1,000 cc races. Ray Pickrell has victories to his credit already on Paul Dunstall's 750 Domiracer and must feature prominently while Dave Croxford will have his enlarged G50 Matchless to try and put it across the twins.

Chairs

What more can be said about the 'chariots' other than that there are three five lap heats to sort out the men from the boys and the last race of the day is a ten lapper to decide the winner of the £100 prize money. Chris Vincent must start favourite but will be furiously persued by just about every name in the sidecar racing fraternity, though works BSA horses should prove too fast, in Vincents hands, for the opposition.



ABOVE, Allan Barnett on the Kirby BSA/Metisse leads Ray Pickerell, 750 Dunstall Domiracer, at Brands at the first big meeting this year.
BELOW, John Cooper has Griff Genkins and Pat Mahoney in furious pursuit, will they be in the same position today.



ABOVE, Bob Pyetts 1,000cc NSU engined outfit is one of the more interesting entries in the third heat of the sidecar event. It is driven here by Peter Horton who will be at the controls today.
BELOW, Norman Hanks powers his big (670cc) BSA and will be seen in the second sidecar heat.

ASHMANS "HAILWOOD" RACER

Meet the boot for the real racing enthusiast designed specially for maestro Mike Hailwood himself and already getting a thunderous reception as far afield as the States, Germany and Switzerland. Comfortable, of course—"feels just like a glove" many racers have told us, and really built for the job it has to do—it's the first boot of its type with "welded on" special "Nitrile" soles and heels, resistant to petrol, oil and heat. Other pace setting features include soft glove dressed black upper leather, ("Terylene" stitched throughout), Newey's special zip fastener, smart toe shape, convenient strap and buckle at ankle and top of leg. Height is 12".
