Foreword

Welcome to Brands Hatch and today's Race Meeting organised by the South East Motor Sport Enthusiasts Club (SEMSEC).

There will be 8 races for all makes and models of cars from saloons, sports cars, kit cars to single seaters. This event is a round of the various SEMSEC championship and challenge series for 2009. SEMSEC's philosophy has always been to cater for as many competitors and car types as possible. This philosophy means you will see a very wide variety of cars here today, including everything from old MG's, Minis, Escorts through to the latest Caterham and Radical sports cars and a wide variety of single seaters. We are delighted to be joined by the Mazda MX5 Championship, one of the most competitive and exciting race series around. Full details can be found in this programme.

Before the days racing there is a Sprint. Sprinters compete against the clock, each has a practice and two timed runs. The cars are split into classes depending on type, engine capacity and state of modification and range from standard road cars to single seat racing cars with just about everything in between. The sprint is run by the Tunbridge Wells Motor Club and is a round of their popular All Circuit Sprint Championship. Also taking part in today's Sprint is the Porsche Cars Speed Championship.

We hope you enjoy today's event and will join us at one of our future meetings.

Mazda MX5 Championship

With 55 cars and over 60 drivers registered for the 2009 Mazda MX5 Championship, it has become established as the most competitive and most exciting race series of 2009, all this with substantial sponsor backing. Klarius, best known in the U.K. for the Timax range of superior aftermarket exhaust, are partnered by Team Dynamics wheels, Gaz Shocks and Hankook Tyres whilst Scalextric who backed the Mazda's in 2008 are back again as a sponsor for 2009.

If you have not seen the MX5s race before, you can look forward to some very close racing with some great battles all the way down the field. The 2009 rounds so far have seen the top drivers from 2008. Jonathan Greensmith (1) and Tom Roche (2) continue their shared wins but they had serious competition from Robert Boston (33) and Steve Greensmith and they should all be up at the front again here at Brands Hatch continuing their slipstreaming duels. It is expected to be yet another day of new laps records on the 2009 Hankook K110 road tyre, GAZ Shocks and TIMAX exhausts.

This meeting at Brands Hatch is hosting the final two rounds of the 20 round 2009 Mazda MX5 Championship. Championship points from the two races today still leave a whole host of changing positions in the top ten and the 2009 Champion to be decided! With a capacity grid of 32 identical MX5 Mk1 1600cc cars, the racing will be close. 2x 15min

races and those valuable Championship points at stake, there will be wheel to wheel action from start to finish. Located in paddock two, why not come and take a look and speak to the drivers in person!

All of the race action this weekend is being televised in the next couple of weeks on MotorsTV, Channel 5 and Men and Motors, TV schedules are published on the Championship website. So if you missed the daring move through Paddock Hill, or up to Druids, then you will be able to see it again in your own home very soon.

For further information, race reports, gossip and general information as to where and when you can see the MX5's race take a closer look at the website www.ma5daracing.com.
