## Important Notice

# FLAG SIGNALS USED AT ALL NEW ERA EVENTS

### FLAGS GIVING INFORMATION & INSTRUCTIONS

**RED FLAG OR RED LIGHTS:** The Race or Practice is being interrupted for safety reasons. Riders must immediately cease racing and return slowly to the Pits, or as directed by the Marshals acting on the instructions of the Clerk of the Course.

**YELLOW FLAG:** Danger on this section of the track. When shown motionless riders must prepare to slow down. When shown waved, the danger is imminent and riders must slow down and be prepared to stop. In both cases overtaking is forbidden up until the point where the green flag is shown.

**BLACK:** This flag is designed to convey instructions to one rider only and is displayed together with the rider's number. The rider must stop at the end of the current lap and cannot restart. This flag is always shown at the start/finish line on special instructions from the Clerk of the Course.

**BLACK WITH ORANGE DISK:** (40 cm dia.) Shown together with a white number on a black signalling board, on the orders of the Clerk of the Course at the start/finish line, it informs the rider whose motorcycle number is displayed that his motorcycle has mechanical problems likely to endanger himself or others, and he must immediately leave the track.

**WHITE FLAG:** This flag is not applicable to New Era Club Meetings and is never used.

### FLAGS & LIGHTS GIVING INFORMATION

**UNION JACK:** Start of a race.

**GREEN:** Course is clear of all hazards This flag is shown on the first lap of each practice session, on the sighting lap and the warm-up lap. After the last yellow flag, the green flag will be shown motionless at the following flag marshal's post to indicate that the circuit is now clear ahead.

**YELLOW WITH RED STRIPES:** Oil, water or another substance is affecting adhesion on this section of the track.

**YELLOW WITH BLACK CROSS:** Denotes start of last lap.

**BLACK & WHITE CHEQUERED:** Finish of Race or Practice session.

### SLOW MOVING VEHICLES ON THE TRACK

In accordance with ACU Standing Regulations, the NEW ERA Club **NEVER** despatch an Ambulance, Fast Intervention Vehicle (FIV), or any other slow moving vehicle on the track whilst Practice or Racing is taking place on any part of the circuit. If such a vehicle is required on the circuit, the Red Flags are first displayed and the race or practice brought to an actual & effective halt before the vehicle is deployed.

**EXCEPTION:** Stationary or moving Ambulances, Fast Intervention Vehicles, Recovery Vehicles and the like, may be encountered anywhere on the circuit when riders are despatched from the Assembly Area on their "Sighting Lap" to the Startline prior to the start of a race. This "Sighting Lap" is not considered to be either Practice or Racing and riders must always be prepared to encounter such vehicles. When such a vehicle or vehicles are on the track the Yellow Flags will be displayed in the appropriate section of the course.

CLASSIC MOTORCYCLE

**Norton**

Just one point separates 1st and 2nd places in the 500cc Class as we enter this, our final, round for the 2006 championship. Chris Swallow just has the advantage over Mark Sharrock. Both new to the Series this year, this young duo have set the Series alight with their electrifying riding. However last year's winner, Duncan Fitchett, will be setting the cat amongst the pigeons as he seeks two wins order to keep alive his chances of 3rd place in the championship following injury in another class earlier in the year.

In the 350 Class, Tim Jackson has already secured the championship with a clean sweep but behind him there is a titanic battle for 2nd, 3rd, and 4th between Graham Buller, Mike Atrill, and Geoff Leather. Reliability issues have dogged Atrill all season but if he can keep it together at Brands then he is certainly well positioned to take runner up spot. However Norton reliability and consistent riding by Buller and Leather may just win the day.

This really could not be a better finish to the year. In conjunction with NEW ERA, the Lansdowne brings you the best of pre-1963 Grand Prix thoroughbred racing.

We hope you will enjoy this taster of how GP racing was in the 50's and early 60's. If you want to find out more, we have a base in the paddock so do come and see us.

We hope you will enjoy our races and visit us at our base in the paddock.
