Your printing tells a lot about your Company...

Yours may be the most progressive, dynamic and successful business. But badly-printed, tastelessly-designed letterheadings, brochures, leaflets or press advertisements can brand you instantly as a throwback to the days of the Hackney Carriage and gas lights! And lose you business as a result.

Because any printed matter on which your name appears says something about you. It can indicate that you're reliable. That you're well-established. That you give an honest, value-for-money service. Or it can give the impression that you operate from a tin-roofed shack in the middle of the local allotments. Maybe it even conjures up a Scrooge-like organisation with quill pens scratching their copperplated way over yellow-edged parchment!

So what sort of image does your printed material present? Do you know—are you really sure? You can soon find out. Simply fix a meeting with the Modern Printers. That's where you'll find a fast printing service where quality really matters—but at a very reasonable price. You'll even find a professional design/writing service for even more sophisticated, effective results—and a useful edge over your competitors!

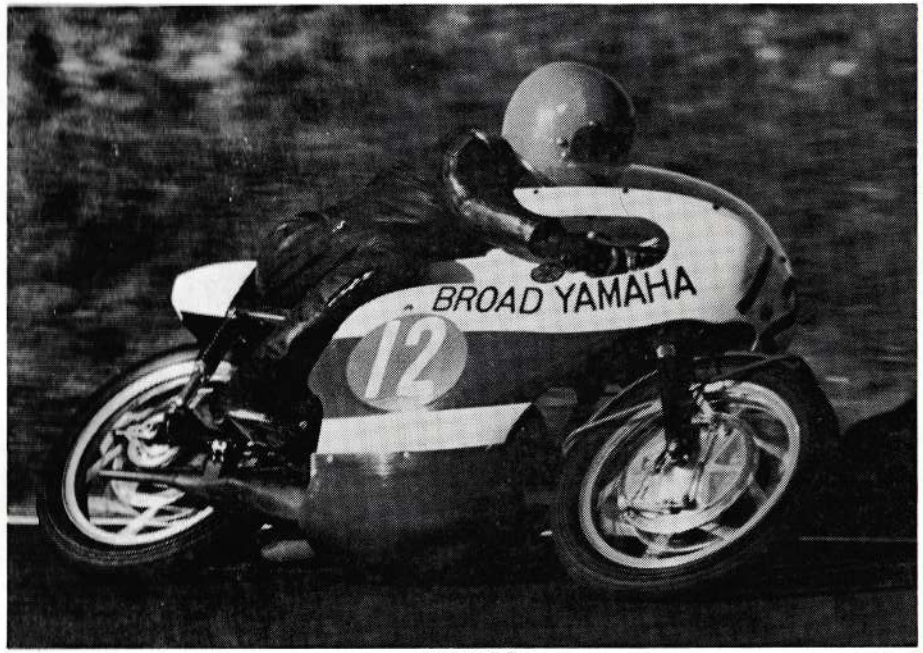
SOUTHERN SIXTY SEVEN

RACING CLUB

CLUBMAN'S MOTOR CYCLE RACES



ERIC PINER

THE SOUTHERN SIXTY SEVEN RACING CLUB WELCOMES YOU TO THIS RACE MEETING

EXPERIENCED OR JUST STARTING?

Whichever you are, why don't you join Britain's most progressive club? The Southern Sixty-Seven Racing Club is one of the few true CLUBS run by racers for racers. The organisers believe that the individual rider is important and the only meeting worth running is a slick one. This is of course appreciated by both riders and spectators alike.

If you want to join why not write to Jill Parker, Graih-My-Chree, Brackley Road, Weston-on-the-Green, Oxon. She is the membership secretary and can give you full information about the club.

If you don t want to race you can still join as a social member it will cost you less but you can still come to "club nite" at the Dolphin Inn, Wallingford, Berks, the first Thursday in every month.

JOIN THE FRIENDLY CLUB.

WHY SIT ON THE WRONG SIDE OF THE FENCE?

Would you like to be a marshal at our race meetings in the future? If so write to PETE VICK (Chief Marshal), 29 Oxford Road, Kirtlington, Oxon., and get in with the action. No experience is required, just an enthusiasm for motor cycle racing. We will show you how. You'll meet new friends with the same interests in the friendly atmosphere of a dedicated club. So don't miss this chance to do a really worthwhile job and write at once. We even provide you with a free packed lunch.

★ SPOTLIGHT ★

ERIC PINER — 250 TD1C Yamaha

1972 Winner of A. & J. French Challenge Trophy

(see cover photo)

Eric, born at Hillingdon, Middlesex, in 1950 has found success on the racing scene at an early age, and has already progressed from Club to National events. He is still in evidence at our meetings though, lending younger brother Francis help and encouragement, to follow in his footsteps. Eric started racing in mid-1969 on a 350cc BSA, bought for him by his constant friend and helper, Don Coles. For the 1970 season Eric raced a Greeves Silverstone with very little success. 1971 saw a dramatic change of fortune, for mounted on the ex-Barry Seward TD1C Yamaha, Eric won the A. & J. French Challenge Trophy and finished fourth in the Newmarket Club's 250cc championship.

A brand-new TD2B replaced the TD1C for 1972, bringing with it more successes — the A. & J. French Trophy again and the Newmarket Club Championship. Eric's first attempt at the Manx GP earned him a silver replica for finishing a creditable 14th. During the season, Don Coles bought the ex-Barry Ditchburn 350cc TR2B, which Eric rode with great effect — coming close to winning the Jack Browning Challenge Trophy in only two outings!

Eric works as a vehicle fitter at British Leyland's AEC plant at Southall. Preparing his bikes takes up much of his time during the season, but Eric is a keen student of the guitar and finds time to practice. A serious road accident in 1968 could well have prevented Eric from taking up racing at all. Fortunately he recovered, but carries with him a steel plate in his leg as a reminder of the past.
